Cathy Bambrick asked if all MOU should be brought before the Board of Health. The Board would like to review all MOUs currently in place and new MOUs as they are finalized.

DEPARTMENT UPDATES:

Staffing replacement progress report: Cathy Bambrick received a letter of resignation from Carolyn Booth resigning her position on the Board of Health. She advised the Board several months’ ago that she would be resigning and the search process has begun. The resolution setting the BOH search process is in place and newspaper ads have been placed. There have been no applications submitted.

EH Manager: Interviews were completed. After the interviews, it was decided to post the position again and expanded the search base.

OSS – Interviews were completed and 1 candidate is being considered.

Melissa Schumaier attended a two-day training and test. She received her Certified Pool Operator license which is good for 5 years.

Linda Navarre completed her testing and passed becoming our newest Registered Nurse.

Environmental Health 2007 School Inspections: Holly Duncan, Environmental Health Specialist II, has just completed the School Inspections and she gave a presentation to the Board of Health on the process she utilizes
when inspecting schools. Ms. Duncan has a good working relationship with the school districts and the districts take her recommendations seriously. She also inspects school playgrounds, but the City inspects the city parks.

**Summary of the April 14 Free Children’s Immunization and Fluoride Varnish Clinic:** The clinic offered children’s immunizations, fluoride varnish, and the hallway of health. There were 40 children evaluated, 78 vaccinations given (the same as 2006), and 34 fluoride varnishes applied (double from last year). Safe Kids fitted and distributed 36 bike helmets. KCPhD blanketed the town with flyers, and supporting organizations: Tree Top, Rite Aid, Albertson, Super One, and McDonald’s donated prizes and food giveaways.

**Update on the Joint Plan of Operations with Washington State Department of Health, Office of Drinking Water:** A public hearing was held on the proposed draft of the Joint Plan of Operation (JPO). Several suggestions were made and the DOH made the revisions. The contract should be finalized by July 2007.

**Public Health Funding Update:** The legislature passed the funding bill and Ms. Bambrick has been on several conference calls discussing how to use the funds. There are several possibilities being contemplated. Ms. Bambrick will keep the Board informed on this process.

**Washington State Department of Health, Maternal Child Health, First Steps Site Visit: Summary of findings:** The team from the Department of Health reviewed several charts and asked our staff questions on their procedures. Sharon Smith did an outstanding job, especially since she was the only First Steps nurse for several months. The charting in the client files was easy to follow. There were a few recommendations made and these will be put into practice when the final report is received from DOH.

**BUSINESS:**

**West Nile Virus Dead Bird Collection Policy and Procedures:** Dr. Mark Larson presented the revised policy and procedures on West Nile Virus Dead Bird Collection. The policy changes address protection for staff and new procedures for shipping specimens. There was a short discussion on prevention of West Nile Virus through public education, personal protection with the use of mosquito repellent, avoiding dawn and dusk when mosquitoes are most active, and educating the medical professionals to recognize the symptoms of West Nile Virus.

**Motion 04-07:** Carolyn Booth moved to adopt the Kittitas County Health Department WNV Dead Bird Collection Policy and Procedure; Commissioner Bowen seconded. All approved. Motion 04-07 carried.

**Motion 04-08:** Commissioner McClain made a motion to adjourn the meeting, and Commissioner Bowen seconded. All agreed. Motion 04-08 carried.

The meeting adjourned at 11:35 a.m.

**Next Meeting:** The next Board of Health meeting will be held on May 17, 2007 at 10:00 a.m. in the Commissioners’ Auditorium.
