Our event is to host a wedding reception at 100 ABC Street (private lane). We are expecting 300 guests with parking on the property that will accommodate all the vehicles. There will also be additional Port-O-Potties brought in and the food will be catered. We are working with the County Solid Waste Department to develop a recycling plan and will have recycle/garbage bins for the expected number of guests. We are in the process of applying for a Liquor License and there will be a charge for admission although it is limited to personal invitation. There will be a DJ and we would like permission to have the music play until midnight.

Thank you for your consideration.
