Kittitas County Maintenance

AGENDA STAFF REPORT

AGENDA DATE: Feb. 18th, 2014

ACTION REQUESTED: BOCC Signature on the Commercial Lighting Program Implementation Agreement

BACKGROUND:

The City of Ellensburg receives funds via Bonneville Power to offer rebates to building owners who retrofit their lighting systems to make them more energy efficient. The County, has retrofitted and or replaced lighting systems throughout the county buildings, thus becoming eligible for said rebates.

Working with our AmerEsco and City of Ellensburg, it has been determined that the County is eligible to receive \$51,500 in rebates.

Attached is the implementation agreement needed by the City of Ellensburg to receive the rebates.

INTERACTION:

Matt Anderson – Facilities Director

RECOMMENDATION:

I recommend that the Board of County Commissioners sign Commercial Lighting Program Implementation Agreement.

HANDLING:

Return copy of signed document to Facilities Maintenance.
