

To Whom It May Concern,

In reference to our CloneAPalooza II application, we would like to formally apply for a noise waiver in regards to the county code. We intend to cut music off at 12:00 midnight on each of the two evenings, Friday September 14th 2014 as well as Saturday September 15th 2014. Nothing loud will take place between 12:00 midnight and 10:00 am.

We appreciate your consideration in advance.
