RE: Claim for Damages: Dick Mundy

Dear Mr. Nigrey

I have reviewed the "Claim for Damages" submitted by Dick Mundy stating that he has received damage to his roses. I have researched this claim and we are unable to find any link to the county compost except that it was the only new variable that Mr. Mundy had change on this property. I am recommending approval of payment of this claim.

If you have any questions or comments, please do not hesitate to contact my office.

Sincerely,
