**Special reasons for wishing to serve on the Board or Commission:**

My past & current professional roles have been in the assessment & treatment of individuals with significant distress due to mental health conditions often overlapping with the negative impacts of substance abuse/dependence. My current caseload of 100-150 CWU students, many with drug & alcohol concerns, has given me greater perspective on their needs. As an advocate for CWU students, but more importantly as a community member raising my family here, I am excited by the possibility of serving in an area that impacts all of us on some level.

Child Protection Team, Division of Child & Family Services, Region 4 (Seattle/King County), City of Tukwila's Domestic Violence Task Force & Renton/King County CPS/DV Collaboration Team (all 3 positions held from 2003-2005); Kittitas County Community Accountability Board member/volunteer (2008-2011); Comprehensive Mental Health Leadership Board (2010-2011); CWU's Student Consultation Team (2012-present)

**Please list any training or experience you have that would be beneficial to serving on the Board or Commission:** Since 2000, I have worked in social services as a direct service provider in residential care, nonprofit community advocacy, crisis response, and prevention/education. In 2011 I worked with CWCMH on enhancing & piloting curriculum for co-occurring disorder treatment. In 2013 I gained national certification for threat assessment and response at CWU.
