KITTITAS COUNTY BOARD OF COMMISSIONERS

RE: Kittitas County Water Conservancy Board Term

Dear Honorable Commissioners:

It has been an honor and a privilege to serve the citizens of Kittitas County for the last ten plus years as a member of the Kittitas County Water Conservancy Board. However, when my term expires on April 4, 2015 I will not be seeking reappointment to a third term. Mark Crowley who is an alternate on the Board does an excellent job and I would recommend that he be appointed as a full voting board member after my term expires.

I would like to thank you and your predecessors for the opportunity to serve our County in this capacity. I have enjoyed my time on the Board and have become much more knowledgeable in regards to water law and water rights in the State of Washington and I hope that knowledge was helpful to the citizens of our County in processing changes to their water rights.

Sincerely,

Gregg Hall
