

# Kittitas County Prosecutor

## Agenda Staff Report

**AGENDA DATE:**

4/21/2015

**ACTION REQUESTED:**

Approve Resolution

**BACKGROUND:**

Kittitas County recently amended Kittitas County Code (KCC) 13.35.020 and 13.35.025 as a part of its Growth Management Act compliance effort. The wording in KCC 13.35.020 and 13.35.025, as to timing of the submission of the Adequate Water Supply Determination is unclear. The Board of County Commissioners expressed a desire to have Adequate Water Supply Determinations for land use actions, including but not limited to plats, large lot subdivision, binding site plans, and conditional uses, be required as a condition of, and prior to issuance of the permits and approvals for said land uses, yet to require the determination as part of the initial application for a building permit.
