AGENDA STAFF REPORT

AGENDA DATE: July 7, 2015

ACTION REQUESTED: Request to Correct Attachment B of the Enabling Document, Ordinance 2015-002

BACKGROUND: On March 24, 2015, the Board passed an ordinance authorizing a change to the Kittitas County Code, Chapter 13.25 related to the use of cisterns in the County, and to Chapter 17.15.080 where additional uses are permitted within a Light Industrial zone. The proposed amendments were presented to the Commissioners before public hearing, and after due deliberation, the County passed the amendments as proposed to them.

The Enabling Document was presented to the Board two weeks later on April 7, 2015 and was signed. Attachment B provided on the enabling document was not the one that was presented to the Commissioners and approved on March 24, 2015. Because the Attachment B was presented and approved by the Board on March 24, 2015, this error can be corrected by ordinance calling for insertion of the "Attachment B" that was approved by the Commissioners in public hearing.

INTERACTION: CDS, Department of Health, Prosecuting Attorney, Board of County Commissioners

ATTACHMENTS: Ordinance requesting the correction, and Attachment B that was approved by the County Commissioners on March 24, 2015
