

# Kittitas County Solid Waste

## Agenda Staff Report

**AGENDA DATE:**

4/5/2016

**ACTION REQUESTED:**

Request Boards signature on the Professional Service Agreement with HWA GeoScience Inc.

**BACKGROUND:**

Kittitas County Solid Waste Manages the Ryegrass facility which consist of a closed municipal solid waste landfill and a limited purpose landfill.

Under WAC 173.350 the County is required to do ground water monitoring of both landfill area and background ground water monitoring. In addition the regulations require annual gas monitoring of the closed landfill.

HWA GeoSciences has worked at the site developing the monitoring plan and providing testing services. HWA GeoSciences has maintained our testing data and updating of the Department of Ecology data base.

**INTERACTION:**

Prosecutors office and HWA GeoSciences Inc.

**RECOMMENDATION:**

Recommend Boards signature on the Professional Service agreement with HWA GeoSciences.

**HANDLING:****LEAD STAFF:**

Patti Johnson
