

**AMENDMENT TO THE AGREEMENT FOR THE REMOVAL AND RECYCLING OF
LEAD BATTERIES FROM THE KITTITAS COUNTY TRANSFER STATION**

This Agreement effective as of March 3, 2016, is made by and between Kittitas County (hereinafter "the County") and Battery Systems Incorporated, a Washington corporation ("Contractor"). The County and Contractor agree as follows:

That the Agreement for the Removal and Recycling of Lead Batteries from the Kittitas County Transfer Station ("Agreement") previously entered between the parties for the period ending March 3, 2016 is amended pursuant to Article XVII of that Agreement. The purpose of this Amendment is to allow for the continuation of that Agreement for the below described period, and to amend the compensation paid by Contractor to the County set in Attachment "B" to the agreement from \$0.30 per pound to \$0.23 per pound, as requested in the letter of February 22, 2016.

All terms, conditions, attachments, documents and exhibits as described in the original Agreement are incorporated herein by this reference as fully as if set forth herein.

The term of this Agreement shall commence on March 3, 2016, and continue until March 3, 2017, subject to automatic renewal for successive one year terms as provided in Article II of the original Agreement.

This Amendment is entered into under the Authority of Kittitas County Board of County Commissioners Resolution # 2016-_____.

IN WITNESS WHEREOF, the parties have executed this Agreement this 5th day of April, 2016.
