Kittitas County Board of Directors

Hello,

I am writing in regards to an event I have been planning since the finish of last years similar event. I have had some serious challenges in meeting the requirements of the application this year, the most of which was finding a suitable security company that fit the requirements, and was available to work in the area I needed them. The security issue combined with several other factors caused my application to be delayed.

I first off want to profusely apologize for this tardiness in this application, and I am aware this has happened before, and want to assure you all; in no way is my late application planned in any way.

I am happy to report however, I have been able to fully comply with the application, including sanitation plan, bonding, insurance, and everything else required in the permitting process. I also have proved several times that I am diligent in doing what it takes to pull these events off successfully, and while it may seem that it's been planned in short order, I can assure you all that the utmost care and planning go into making sure this is a successful event for all involved, and a boon to the local economy.

I am hoping The Board will be amenable to making this event application approved, and can get it onto the agenda in time for the early month meeting. If there is any expenses incurred due to the tardy application I will be happy to pay for them. If there are any hoops I need to jump through, I will be happy to do that as well.

Please accept my sincere apology, understand that the tardiness is strictly due to being able to fulfill the requirements of the application. I appreciate The Boards understanding in advance, this is a positive event that is growing with its attendees; and is good for the community. I am committed to making this happen for years to come, and should be in a position to get these applications in on time in the future.

Thanks for your consideration,

Chris Aldridge
