KITTITAS COUNTY CONFERENCE OF GOVERNMENTS

August 30, 2016

Board of County Commissioners
205 W. 5th Avenue
Ellensburg, WA 98926

Dear Commissioners,

The Conference of Governments (COG) convened on August 17, 2016, to consider the merits of funding of seven (7) applications competing for approximately \$\$750,000 of Distressed County Sales & Use Tax for the purpose of improving a community's infrastructure in hopes of creating a more positive economic development climate. The table reflects the project name, the amount requested and the COG recommended funding.

Project Name	Requesting Agency	Sales & Use Tax Funding Requested	Sales & Use Tax Funding Received
Business Incubator Roof Replacement	Ellensburg Business Development Authority	\$63,685	\$63,685
Finance of Personnel Per RCW 82.14.370(3)(a)	Kittitas County Chamber of Commerce	\$72,000	\$72,000
2016-2017 Economic Upgrades	City of Roslyn	\$41,250	\$41,250
Main Street Lift Station	City of Kittitas	\$249,120	\$249,120
Stormwater Design	City of Cle Elum	\$47,500	\$47,500
Fiber Optic and Wireless Network Expansion	City of Ellensburg	\$169,560	\$169,560

The COG reviewed all the applications and applauds each applicant for the thoroughness of each of the submittals. The above list represents what the COG felt would have immediate economic impact on the individual communities.

The COG took the position that once these funds were expended there should be a tangible project that either immediately improves economic development or provides a design that leads to construction. These projects are worthy candidates for economic development dollars but the application and project scope need to lead to a completed project.

Thank you for the opportunity to play a critical role in the evaluation and application of funds that will assist in improving the economic development picture for the entire Kittitas Valley community and we recommend you approve the funded projects as submitted.

Sincerely,

Jay McGowan
Conference of Government Chair
