## Request #35185 - Dispute Resolution Center of Yakima & Kittitas Counties - Contract Review

### Initial request:

Please review the attached documents that has been provided by Matt Fairbank, Executive Director of the Dispute Resolution Center of Yakima and Kittitas Counties. The current contract ends at the end of this year. I have also attached an email from him questioning if there had been any protected classes added to the state's anti-discrimination language that may affect provision 9 of the contract which your office may have more detail about. I would like to place this on the November 15th Commissioner Agenda for their consideration.

### Latest update:

Neil Caulkins 11/7/2016 12:00:00 AM

### Resolution:

Seems fine. The language in section 9 sweeps in any protected status already, so we don't need to specifically call out such.

### Status:

Open

### Assigned to:

Neil Caulkins

### Priority:

Soon

### Due date:

11/9/2016 5:00:00 PM
