2017 Lodging Tax Funds – General Information

Various municipalities within Kittitas County impose a lodging tax assessed on the sale or charge made for furnishings of lodging according to RCW 67.28.180 and RCW 67.28.181. In accordance with the tax and Washington State Law, Lodging Tax Advisory Committees may also be established by various jurisdictions. The committees' purpose is to advise and recommend to the legislative authority of the city or county how excise taxes on lodging should be allocated to support tourism which in turn generates revenue.

Uses According to Law:

According to State Statute and the interlocal agreement between the Kittitas County and the Cities of Cle Elum, Ellensburg, and Roslyn, funds awarded under this process may be used for the following:

1. Tourism marketing;
2. The marketing and operations of special events and festivals designed to attract tourists;
3. Supporting the operations of tourism-related facilities owned or operated by nonprofit organizations described under 26 U.S.C Sec. 501 (c) (3) and 26 U.S.C. Sec. 501 (c) (6) of the internal revenue code of 1986, as amended.

Definitions included in state law which should be considered in any application requesting funding include:

- (1) **Tourism** means economic activity resulting from tourists, which may include sales of overnight lodging, meals, tours, gifts, or souvenirs.
- (2) **Tourism promotion** means activities, operations, and expenditures designed to increase tourism, including but not limited to advertising, publicizing, or otherwise distributing information for the purpose of attracting and welcoming tourists; developing strategies to expand tourism; operating tourism promotion agencies; and funding marketing or the operation of special events and festivals designated to attract tourists.
- (3) **Tourism-related facility** means real or tangible personal property with a usable life of three or more years, or constructed with volunteer labor that is: (a) (i) Owned by a public entity; (ii) owned by a nonprofit organization described under section 501 (c) (3) of the federal internal revenue code of 1986, as amended; or (iii) owned by a nonprofit organization described under section 501 (c) (6) of the federal internal revenue code of 1986, as amended, a business organization, destination marketing organization, main street organization, lodging association, or chamber of commerce and (b) used to support tourism, performing arts, or to accommodate tourist activities.

Review Process:

Cle Elum, Roslyn, Ellensburg, and Kittitas County have all agreed to collaborate in review of grant applications and awarding lodging tax funds for special events and festivals. Each municipality's committee or designees will review all complete applications, score them based on the information provided by the application, rank the applications, recommend any funding

awards, and forward the score sheets, ranking, and funding recommendations to Kittitas County.

County staff will compile the score sheets, rankings, and funding recommendations for further consideration by a county-wide Lodging Tax Advisory Committee (LTAC). The county-wide LTAC will be comprised of an equal number of members from each participating jurisdiction. The county-wide LTAC will receive the scoring, ranking, and recommendations list and will conduct a public meeting where each applicant which received a funding recommendation will have the opportunity to present their application and answer questions. The county-wide LTAC will publicly deliberate on the applications and the list to produce a final recommendation which will be forwarded to each participating jurisdiction's legislative authority for final action.

Scoring sheets which determine the overall ranking of applications are included in this packet for your reference and information. **Applications which do not receive an average minimum score of at least 50 points or who do not follow the submission instructions will not be eligible for funding.**

Local Policy on Disallowed Uses:

The Lodging Tax Advisory Committees have determined that certain types of activities are not eligible for funding awards even if they may be tourism related. These include anything affiliated with the following: prizes for contestants, resale items, food and drink, beautification, fundraising, and membership drives. This list should not be considered comprehensive and all funding recommendation decisions are at the discretion of the committees and subject to change by majority opinion.

Application Definitions:

Below is a list of terms and phrases which have specific meaning within this application. It may be helpful for you to review these as you prepare responses so that you have a better understanding of the reviewers' expectations.

Date-specific is an event or project which occurs over less than one month.

Matching Funds is the amount of funding your organization is contributing to the project or event. This includes both direct and indirect fund support. Direct funds can be in the form of cash funding from your organization or funding secured from elsewhere but dedicated to the project or event such as other grants, loans, donations, etc. Indirect funding support includes in-kind support like labor, volunteer support, supplies, and services which directly relate to the project or event, including those provided by your organization and others.

New Projects/Events are projects/events which are in the first four years of existence. For example, a proposal for a barbeque competition which is in its third year would be defined as a new project/event. Likewise, a project by an existing museum which expands its current offerings, or a specific new strategy for appealing to a different target market that is in its first year, would be considered a new project. Ongoing general marketing and advertising campaigns or general operational support requests for organizations/event which have existed for longer than four years are not defined as a new project/event.

Ongoing Projects/Events are defined as projects/events that have been established for more than four years. Applications that qualify under this definition may be awarded up to 10% of the project's/event's expense budget.

Partnerships are agreements between events/organizations/groups which enhance the overall project/event by providing additional value-added benefits or opportunities for attendees as well as the participating partners. For instance, as part of your event, you may have partnered with a local hotel or campground for a special group rate for overnight attendees. You may have also partnered with a local restaurant to provide a special meal discount or drink offer. You may have also agreed to refer your attendees to another event simultaneously occurring in another part of the county.

Project Budget is a written description of the complete budget for your project or event. It must include anticipated revenues, expenses, and any potential profit or loss.

Seasonal means a project or event which operates at least 1 month and up to 6 months, and during at least 2 seasons (Spring, Summer, Fall, Winter).

Self-Sustaining is being able to provide for your own needs without the assistance of grant funds.

Supports County as a Tourism Destination means including strategies within your proposal which will assist in attracting tourists to our County during times of the year other than for your project/event alone. This may include cross-promotion agreements with other projects/events, it may include active marketing of other projects/events at your project/event, it may include referring attendees directly to other tourist opportunities in the County, etc.

Year-round means a project or event is ongoing and actively working to attract tourists for at least 6 months, and at least 3 seasons (Spring, Summer, Fall, Winter).

- B. To a place fifty miles or more one way from their place of residence or business for the day or staying overnight; or
- C. From another country or state outside of their place of residence or their business.

A report form will be provided as part of the contract for receiving funds. We ask that you provide this information within 60 days after your event is complete once you have critiqued your event.

In addition, any reports which are produced as a result of a grant award must be submitted within 60 days of completion as part of your project reporting requirements. This will provide evidence that the work paid for by the grant has been completed.

Applicant Categories and Eligibility:

Grants from lodging tax funds are provided for two types of applicants, New Projects/Events and Ongoing Event Support. An organization may apply for funding from one or both categories. If applying for funding from both categories, the application must clearly identify the different funding categories requests. The categories are defined as follows:

The **New Project/Events** category is for applications from events/projects which are within the first four years of existence. Applications may be considered in this category from established events (older than four years) which are proposing a new or expanded project designed to increase tourism as part of an ongoing event.

The **Ongoing Project/Event Support** category is for applications from established events (ongoing for more than four years) which may request continuing support. Grant awards are limited in this category to no greater than 10% of the event's expense budget. This category includes project/events which may be operating under a new board or organization, moving venues, changing dates, or implementing other non-substantial changes to a project/event which is ongoing for more than four years.

APPLICATION QUESTIONS

Please answer each question completely, in the order listed, on a separate sheet attached to this application. Please include any supporting data within the response narrative.

1. Please provide a description of your project/event and identify the specific tourism audience/market that your organization will target with these funds. You must include an itemized list of exactly how any grant funds awarded will be utilized.
2. Please provide the following estimates of how any money received will result in increases in the number of people traveling for business or pleasure on a trip:
 - I. Away from their place of residence or business and staying overnight in paid accommodations;
 - II. To a place fifty miles or more away from their place of residence or business for the day or staying overnight; or
 - III. From another country or state outside of their place of residence or business.

You must provide the evidence utilized in determining your projections.

3. What tools will you use to measure your event's impact on tourism? Please be specific and provide examples. Include the following information:
 - I. Is your project/event year-round or is it seasonal or date-specific?
 - II. What strategies will you employ to assure you are attracting tourists from at least 50 miles away?
 - III. What strategies will you use to assist in marketing all of Kittitas County as a tourist destination with your event/project funding request?
4. Does your organization have, or have you applied for, grant funding from other sources? If not, why not? If yes, please list the available funding you have for the project, including any volunteer and in-kind sources, and/or the sources and amounts for which you have applied. Please note which funding sources are secured and in hand so a true matching fund determination may be determined. What changes would occur if the project couldn't be funded?
5. If your organization collaborates or has created partnerships with other organizations, groups, or other events to cross-promote in an effort to encourage county-wide tourism, how is this accomplished?
6. Please explain what plans exist to allow this project to become self-sustaining. Include any plans for ticket sales, event sponsors, and other cost-recovery models.
7. **Additional information:** Provide any additional information which will assist the Lodging Tax Advisory Committee in evaluating your project and its benefit to tourism. Please limit any additional written information to one page and any other additional attachments to 3 pages. Regardless of how much additional information is included, only the first 3 pages will be provided to reviewers.
8. **Project Budget:** Please attach a copy of the complete budget for this project/proposal. If your agency operates independently of this project application it may not be

necessary to submit the entire agency budget. You must submit a budget which specifically pertains to the project/event for which you are requesting funding and adheres to the basic budget format shown below.

The budget must include anticipated revenues, expenditures, and any potential profit or loss. For projects/events which are ongoing for more than one (1) year, please also submit actuals from the previous three (3) years of operations for the project/proposal if applicable. Also, please supply any narratives necessary to understand the budget being submitted and list separately any in-kind or volunteer contributions. If applying for funding for both "New Project/Event" and "Ongoing Project/Event Support" you must clearly identify the different requests. This may be most easily accomplished by submitting separate budgets for each request category.

For any claimed in-kind contributions valued at \$500 or more and related to marketing/advertising, you must submit verifying documentation which assures the contribution will be provided. For instance, if you are claiming in-kind contributions in the form of advertising match, a binding contract itemizing the matching value and obligating each party must be provided.

Please assure your budget, and actuals from previous years (if applicable), are in the following basic format:

Revenues:

- Cash
- Donations/Sponsorships
- Sales
- Vendor Fees
- Grants
- Etc.

Total Revenues

In-Kind Contributions:

- Volunteer Labor
- Donated Services
- Donated Materials
- Etc.

Total In-kind

Expenses:

- Venue
- Insurance
- Services
- Advertising
- Security
- Etc.

Total Expenses

Profit/Loss (Revenue less Expenses)

9. Has your event received Lodging Tax funds in previous years?

Yes ☒ No ☐

If yes, please list each year and the amount received for that year.

2016 - \$3,990.00

All applicants must also provide the following information regarding the event/project:

10. **Application Certification:**

The applicant here certifies and affirms: 1. That it does not now, nor will it during the performance of any contract arising from this application, unlawfully discriminate against any employee, applicant for employment, client, customer, or other person who might benefit from said contract, by reason of age, race, color, ethnicity, sex, religion, military status, sexual orientation, creed, place of birth, or disability; 2. APPLICATION QUESTIONS

High County Log Show is requesting \$6,500 from the 2017 Lodging Tax Fund.

- 1) The family friendly High Country Log Show (HCLS) was founded in 2011 as a tribute to the heritage of the logging industry in Kittitas County. Our mission is to preserve the history of logging in Kittitas County. The annual event is held at Runje Field, Roslyn on Saturday and Sunday of Labor Day Weekend. The HCLS has 26 entertaining events that showcase the skillset required by loggers past and present. The 2016 HCLS had 45 competitors from throughout the Northwest (Washington, Oregon and Idaho). Each year our attendance has grown and we estimate 3000 + spectators from throughout the Northwest over the 2 day event for 2017. It has become one of the premier log shows in Washington.

Since 2015 we have awarded a scholarship to a local high school student in honor of the logging history of Kittitas County.

We are requesting \$6,500.00 from the 2017 Lodging Tax. We will use \$4,500 in our marketing and advertising campaign in both Western and Eastern Washington to bring additional competitors and spectators to Kittitas County. We have partnered with the Kittitas County Chamber/Genesis Marketing for our advertising campaign through social media, radio & television, and print media. We will use \$2,000.00 towards our operating budget for rental of additional bleachers and Sani-cans for our spectators.

- 2) Competitors and spectators of the HCLS stay overnight in lodging, purchase meals, gas and visit retail stores in both Upper and Lower Kittitas County during Labor Day Weekend, which is a high tourist/travel weekend. Many of our spectators also visit the Roslyn Farmer's Market, the Coal Miner's Festival, the Heritage Festival and Kittitas County Fair and Rodeo. Receipt of Lodging Tax Funding will allow us to increase our marketing and advertising campaign in both Western and Eastern Washington reaching additional tourists. With additional spectators additional funding will also allow an increase in our operating budget for rental of additional bleacher seating.

Eighty percent of our competitors and sixty-five percent of our spectators travel from outside of Kittitas County. Deanrunyan.com shows that in an event, 30% of the tourists stay overnight (spending \$214.00 daily), 35% of the tourists stay one day (spending \$86.00 daily) and 35% of the spectators are local people (spending \$45 daily).

	Estimates for 2017 Show	
I	Staying overnight in paid accommodations including camping and hotels	Competitors: 30 Spectators: 400

II	Staying overnight in 2nd homes or with friends	Competitors: 10 Spectators: 200
III	From another State or Country	Competitors: 3 Spectators: 50

For the 2016 show, we partnered with the Kittitas County Chamber/Genesis Marketing for our marketing campaign. During the campaign, we had 4,533 Facebook clicks and we reached 108,456 people. We had 45 competitors and 2500+ spectators. We know this by surveying spectators and obtaining addresses from raffle ticket entries.

We plan to partner again with the Chamber with the addition of television advertising for 2017.

- 3) I. The HCLS is a date specific event that takes place on Saturday and Sunday of Labor Day weekend.

II. For the 2017 Show we plan to continue with our marketing campaign using Social Media, Radio, and Print Ads. In 2017 we will add Television marketing to our campaign to reach additional tourists from throughout the Northwest. The proposal received from the Kittitas County Chamber/Genesis Marketing is \$4,500. With this we will receive \$662.50 (see attachment) added value.

III. There is no admission fee for Log Show spectators. This allows families attending the event to spend additional funds at other events occurring in Kittitas County over Labor Day weekend. In our marketing campaigns and materials we will include the additional Kittitas County events available Labor Day weekend (Kittitas County Fair and Rodeo, Roslyn Farmer's Market, Roslyn Coal Miner's Day, The Heritage Festival).

- 4) In addition to the Lodging Tax, the HCLS has applied for grant funding from the Suncadia Enhancement Fund/RDA.

Each year we have numerous in-kind volunteer hours and equipment donated for the operation of our show. The HCLS board/committee group only has 10 members; our show would not be possible without the numerous volunteers and in-kind donations.

Our vision for the future includes permanent show grounds, and we hope to pursue additional grant funding to secure a permanent home.

- 5) The HCLS has partnered with the Kittitas County Chamber/Genesis Marketing for our advertising campaign. We also cross-promote with the Heritage Festival, Roslyn Farmer's Market, Coal Miner's Festival and the historic Roslyn Labor Day Parade. We partner with Woods Logging Supply, Sedro Woolley, Washington for use of saws for our events. This

partnership has allowed our show to be advertised and promoted in Skagit County. We also are promoted by other Log Shows throughout Washington.

- 6) The HCLS charges competitors an entry fee. Funding is also received from Sponsorships, Shirt Sales, Raffle Ticket sales, and Beer Garden sales. We do not charge an entry fee for spectators. The show has been self-sustaining since the inception; however the addition of grant funding will allow additional advertising and additional items in our operations budget.
- 7) Additional information about the High Country Log Show:
 - Competitors from Deming and Buckley (along with their families) arrive early in the week with equipment and man-power to help with the set-up of the show. All time and effort donated ready and willing.
 - One of the main attractions to the show is the “Hot-Saw” competition. The show now has 2 local Kittitas County “Hot-Saws”-- a V8 Ford, and Polaris Snowmobile.
 - There is no admission fee for spectators at the High Country Log Show. This allows families attending the event to spend funds at additional events throughout Kittitas County over the Labor Day Holiday.
 - 2017 will be the 7th year for the High Country Log Show. The show continues to draw additional competitors and spectators each year.
 - This event is supported by the enthusiastic volunteers and local sponsors. The Log Show is supported not just by the logging community, but includes sponsorship by over 45 sponsors including meat markets, restaurants, hardware stores, rental company, construction, electricians, and general contractors.
 - Please see the attachments for pictures of the 2016 show and the Chamber 2016 recap information.

The High Country Log show appreciates any help available from the Lodging Tax Fund. We are a small group and we love what we do, we enjoy benefitting our community and passing on part of our Kittitas County heritage. We thank you for your time and consideration.
