2017 Lodging Tax Funds – General Information

Various municipalities within Kittitas County impose a lodging tax assessed on the sale or charge made for furnishings of lodging according to RCW 67.28.180 and RCW 67.28.181. In accordance with the tax and Washington State Law, Lodging Tax Advisory Committees may also be established by various jurisdictions. The committees' purpose is to advise and recommend to the legislative authority of the city or county how excise taxes on lodging should be allocated to support tourism which in turn generates revenue.

Uses According to Law:

According to State Statute and the interlocal agreement between the Kittitas County and the Cities of Cle Elum, Ellensburg, and Roslyn, funds awarded under this process may be used for the following:

1. Tourism marketing;
2. The marketing and operations of special events and festivals designed to attract tourists;
3. Supporting the operations of tourism-related facilities owned or operated by nonprofit organizations described under 26 U.S.C Sec. 501 (c) (3) and 26 U.S.C. Sec. 501 (c) (6) of the internal revenue code of 1986, as amended.

Definitions included in state law which should be considered in any application requesting funding include:

- (1) **Tourism** means economic activity resulting from tourists, which may include sales of overnight lodging, meals, tours, gifts, or souvenirs.
- (2) **Tourism promotion** means activities, operations, and expenditures designed to increase tourism, including but not limited to advertising, publicizing, or otherwise distributing information for the purpose of attracting and welcoming tourists; developing strategies to expand tourism; operating tourism promotion agencies; and funding marketing or the operation of special events and festivals designated to attract tourists.
- (3) **Tourism-related facility** means real or tangible personal property with a usable life of three or more years, or constructed with volunteer labor that is: (a) (i) Owned by a public entity; (ii) owned by a nonprofit organization described under section 501 (c) (3) of the federal internal revenue code of 1986, as amended; or (iii) owned by a nonprofit organization described under section 501 (c) (6) of the federal internal revenue code of 1986, as amended, a business organization, destination marketing organization, main street organization, lodging association, or chamber of commerce and (b) used to support tourism, performing arts, or to accommodate tourist activities.

Review Process:

Cle Elum, Roslyn, Ellensburg, and Kittitas County have all agreed to collaborate in review of grant applications and awarding lodging tax funds for special events and festivals. Each municipality's committee or designees will review all complete applications, score them based on the information provided by the application, rank the applications, recommend any funding

awards, and forward the score sheets, ranking, and funding recommendations to Kittitas County.

County staff will compile the score sheets, rankings, and funding recommendations for further consideration by a county-wide Lodging Tax Advisory Committee (LTAC). The county-wide LTAC will be comprised of an equal number of members from each participating jurisdiction. The county-wide LTAC will receive the scoring, ranking, and recommendations list and will conduct a public meeting where each applicant which received a funding recommendation will have the opportunity to present their application and answer questions. The county-wide LTAC will publicly deliberate on the applications and the list to produce a final recommendation which will be forwarded to each participating jurisdiction's legislative authority for final action.

Scoring sheets which determine the overall ranking of applications are included in this packet for your reference and information. **Applications which do not receive an average minimum score of at least 50 points or who do not follow the submission instructions will not be eligible for funding.**

Local Policy on Disallowed Uses:

The Lodging Tax Advisory Committees have determined that certain types of activities are not eligible for funding awards even if they may be tourism related. These include anything affiliated with the following: prizes for contestants, resale items, food and drink, beautification, fundraising, and membership drives. This list should not be considered comprehensive and all funding recommendation decisions are at the discretion of the committees and subject to change by majority opinion.

Application Definitions:

Below is a list of terms and phrases which have specific meaning within this application. It may be helpful for you to review these as you prepare responses so that you have a better understanding of the reviewers' expectations.

Date-specific is an event or project which occurs over less than one month.

Matching Funds is the amount of funding your organization is contributing to the project or event. This includes both direct and indirect fund support. Direct funds can be in the form of cash funding from your organization or funding secured from elsewhere but dedicated to the project or event such as other grants, loans, donations, etc. Indirect funding support includes in-kind support like labor, volunteer support, supplies, and services which directly relate to the project or event, including those provided by your organization and others.

New Projects/Events are projects/events which are in the first four years of existence. For example, a proposal for a barbeque competition which is in its third year would be defined as a new project/event. Likewise, a project by an existing museum which expands its current offerings, or a specific new strategy for appealing to a different target market that is in its first year, would be considered a new project. Ongoing general marketing and advertising campaigns or general operational support requests for organizations/event which have existed for longer than four years are not defined as a new project/event.

Ongoing Projects/Events are defined as projects/events that have been established for more than four years. Applications that qualify under this definition may be awarded up to 10% of the project's/event's expense budget.

Partnerships are agreements between events/organizations/groups which enhance the overall project/event by providing additional value-added benefits or opportunities for attendees as well as the participating partners. For instance, as part of your event, you may have partnered with a local hotel or campground for a special group rate for overnight attendees. You may have also partnered with a local restaurant to provide a special meal discount or drink offer. You may have also agreed to refer your attendees to another event simultaneously occurring in another part of the county.

Project Budget is a written description of the complete budget for your project or event. It must include anticipated revenues, expenses, and any potential profit or loss.

Seasonal means a project or event which operates at least 1 month and up to 6 months, and during at least 2 seasons (Spring, Summer, Fall, Winter).

Self-Sustaining is being able to provide for your own needs without the assistance of grant funds.

Supports County as a Tourism Destination means including strategies within your proposal which will assist in attracting tourists to our County during times of the year other than for your project/event alone. This may include cross-promotion agreements with other projects/events, it may include active marketing of other projects/events at your project/event, it may include referring attendees directly to other tourist opportunities in the County, etc.

Year-round means a project or event is ongoing and actively working to attract tourists for at least 6 months, and at least 3 seasons (Spring, Summer, Fall, Winter).

- C. From another country or state outside of their place of residence or their business.

A report form will be provided as part of the contract for receiving funds. We ask that you provide this information within 60 days after your event is complete once you have critiqued your event.

In addition, any reports which are produced as a result of a grant award must be submitted within 60 days of completion as part of your project reporting requirements. This will provide evidence that the work paid for by the grant has been completed.

Applicant Categories and Eligibility:

Grants from lodging tax funds are provided for two types of applicants, New Projects/Events and Ongoing Event Support. An organization may apply for funding from one or both categories. If applying for funding from both categories, the application must clearly identify the different funding categories requests. The categories are defined as follows:

The **New Project/Events** category is for applications from events/projects which are within the first four years of existence. Applications may be considered in this category from established events (older than four years) which are proposing a new or expanded project designed to increase tourism as part of an ongoing event.

The **Ongoing Project/Event Support** category is for applications from established events (ongoing for more than four years) which may request continuing support. Grant awards are limited in this category to no greater than 10% of the event's expense budget. This category includes project/events which may be operating under a new board or organization, moving venues, changing dates, or implementing other non-substantial changes to a project/event which is ongoing for more than four years.

APPLICATION QUESTIONS

Please answer each question completely, in the order listed, on a separate sheet attached to this application. Please include any supporting data within the response narrative.

1. Please provide a description of your project/event and identify the specific tourism audience/market that your organization will target with these funds. You must include an itemized list of exactly how any grant funds awarded will be utilized.

- The Mountain Ale Festival draws visitors to Roslyn and Upper County during the shoulder season between summer and winter recreation. The festival takes place in downtown Roslyn and features live music and 10 of the Northwest's best breweries. For 2016 the event moves into the Roslyn Yard on Pennsylvania Ave.

- The target audience of the Festival is 1) the many people who love Roslyn, 2) craft beer lovers throughout Washington, and 3) Suncadia home-owners and guests.

- 2017 Lodging Tax funds will be used for:

- a. Promotions and Marketing
- b. Licenses (City and WA Liquor Control)
- c. Music/Staging
- d. Coal Mines Trail Bike Excursion (new)

2. Please provide the following estimates of how any money received will result in increases in the number of people traveling for business or pleasure on a trip:
 - I. Away from their place of residence or business and staying overnight in paid accommodations;
 - II. To a place fifty miles or more away from their place of residence or business for the day or staying overnight; or
 - III. From another country or state outside of their place of residence or business.

You must provide the evidence utilized in determining your projections.

- I. Based on ticket sales and surveys from the 2015 Festival, approximately 18% of attendees will stay in overnight paid accommodations. With 300 estimated attendees in 2017, 54 people are estimated to stay in paid accommodations (21.5 room nights).
- II. The same data showed that approximately 60% of attendees will be from outside of Kittitas County, or an estimated 180. Based on previous Mt. Ale Festivals, many of those will be Suncadia homeowners. In fact this is one of the few local events to strongly draw Suncadia owners.
- III. It is expected that an insignificant number of attendees will travel from Idaho, Oregon, or Canada for the event.

3. What tools will you use to measure your event's impact on tourism? Please be specific and provide examples. Include the following information:
- I. Is your project/event year-round or is it seasonal or date-specific?
 - II. What strategies will you employ to assure you are attracting tourists from at least 50 miles away?
 - III. What strategies will you use to assist in marketing all of Kittitas County as a tourist destination with your event/project funding request?

I. The Mountain Ale Festival is date-specific (second Saturday in October).

II. The majority of marketing and advertising will be targeted at least 50 miles from Kittitas County to assure tourist (as opposed to local) attendance. For data purposes, the Chamber will survey attendees as well as participants to determine how far they have traveled. Google analytics will also be used to track demographic information. Social media ads will be tracked via campaign codes for demographic and referral data.

III. To assist in marketing to all of Kittitas County, marketing will link to the Central Washington Color website. Tourist information and literature for all of Kittitas County will be available at the event.

4. Does your organization have, or have you applied for, grant funding from other sources? If not, why not? If yes, please list the available funding you have for the project, including any volunteer and in-kind sources, and/or the sources and amounts for which you have applied. Please note which funding sources are secured and in hand so a true matching fund determination may be determined. What changes would occur if the project couldn't be funded?

Funding will be sought and obtained from a variety of sources:

- Donation of Roslyn Yard estimated value of \$1,000
- Other sponsorships amounting to approximately \$400.
- About 50 volunteer hours with an estimated value of \$1,336
- Estimated Chamber resources valued at \$2,000 (133hrs X \$15)

With the exception of sponsorships, all funding from the above sources can be considered secured.

With the Festival's expansion into a much larger venue, it is at a critical junction and Lodging Tax is essential to help accommodate that growth.

5. If your organization collaborates or has created partnerships with other organizations, groups, or other events to cross-promote in an effort to encourage county-wide tourism, how is this accomplished?

Collaboration occurs with:

- The City of Roslyn, several local business owners, food vendors,
- The new event venue, Roslyn Yard.
- County breweries Roslyn Brewery, Whipsaw Brewery, Dru Brew Brewery, Mule & Elk Brewery, and Iron Horse Brewery also collaborate and will feature the event in their promotions and at their facilities.

6. Please explain what plans exist to allow this project to become self-sustaining. Include any plans for ticket sales, event sponsors, and other cost-recovery models.

The strategies for making the Festival self-sustaining are:

- a. Increase event participation through marketing and word of mouth (the Festival has seen steady growth since its inception in 2013).
- b. Continuously improve the event experience. This begins in October 2016 with the move to the prominent and large Roslyn Yard. For 2017 it will include a Coal Mines Trail Bike Excursion and prominent beer awards.
- c. Increase revenue wherever possible. Ticket sales have been the primary revenue source for the festival and admission fees will be raised once the event exceeds 300 participants. Sponsorships also will be a priority, as will expanded merchandise sales.

7. **Additional information:** Provide any additional information which will assist the Lodging Tax Advisory Committee in evaluating your project and its benefit to tourism. Please limit any additional written information to one page and any other additional attachments to 3 pages. Regardless of how much additional information is included, only the first 3 pages will be provided to reviewers.
8. **Project Budget:** Please attach a copy of the complete budget for this project/proposal. If your agency operates independently of this project application it may not be necessary to submit the entire agency budget. You must submit a budget which specifically pertains to the project/event for which you are requesting funding and adheres to the basic budget format shown below.

For any claimed in-kind contributions valued at \$500 or more and related to marketing/advertising, you must submit verifying documentation which assures the contribution will be provided. For instance, if you are claiming in-kind contributions in the form of advertising match, a binding contract itemizing the matching value and obligating each party must be provided.

That it does not now, nor will it during the performance of any contract arising from this application, unlawfully discriminate against any employee, applicant for employment, client, customer, or other person who might benefit from said contract, by reason of age, race, color, ethnicity, sex, religion, military status, sexual orientation, creed, place of birth, or disability; 2. Dear Taxpayer:

This is in response to your Feb. 20, 2012, request for information regarding your tax-exempt status.

Our records indicate that you were recognized as exempt under section 501(c)(6) of the Internal Revenue Code in a determination letter issued in July 1942.

Because you are not an organization described in section 170(c) of the Code, donors may not deduct contributions made to you. You should advise your contributors to that effect.

Please refer to our website www.irs.gov/eo for information regarding filing requirements. Specifically, section 6033(j) of the Code provides that failure to file an annual information return for three consecutive years results in revocation of tax-exempt status as of the filing due date of the third return for organizations required to file. We will publish a list of organizations whose tax-exempt status was revoked under section 6033(j) of the Code on our website beginning in early 2011.

If you have any questions, please call us at the telephone number shown in the heading of this letter.

Sincerely yours,

Cindy Thomas
