Submission Deadline: Friday, September 30, 2016

2017 Lodging Tax Funds – General Information

Various municipalities within Kittitas County impose a lodging tax assessed on the sale or charge made for furnishings of lodging according to RCW 67.28.180 and RCW 67.28.181. In accordance with the tax and Washington State Law, Lodging Tax Advisory Committees may also be established by various jurisdictions. The committees' purpose is to advise and recommend to the legislative authority of the city or county how excise taxes on lodging should be allocated to support tourism which in turn generates revenue.

Uses According to Law:

According to State Statute and the interlocal agreement between the Kittitas County and the Cities of Cle Elum, Ellensburg, and Roslyn, funds awarded under this process may be used for the following:

1. Tourism marketing;
2. The marketing and operations of special events and festivals designed to attract tourists;
3. Supporting the operations of tourism-related facilities owned or operated by nonprofit organizations described under 26 U.S.C Sec. 501 (c) (3) and 26 U.S.C. Sec. 501 (c) (6) of the internal revenue code of 1986, as amended.

Definitions included in state law which should be considered in any application requesting funding include:

- (1) **Tourism** means economic activity resulting from tourists, which may include sales of overnight lodging, meals, tours, gifts, or souvenirs.
- (2) **Tourism promotion** means activities, operations, and expenditures designed to increase tourism, including but not limited to advertising, publicizing, or otherwise distributing information for the purpose of attracting and welcoming tourists; developing strategies to expand tourism; operating tourism promotion agencies; and funding marketing or the operation of special events and festivals designated to attract tourists.
- (3) **Tourism-related facility** means real or tangible personal property with a usable life of three or more years, or constructed with volunteer labor that is: (a) (i) Owned by a public entity; (ii) owned by a nonprofit organization described under section 501 (c) (3) of the federal internal revenue code of 1986, as amended; or (iii) owned by a nonprofit organization described under section 501 (c) (6) of the federal internal revenue code of 1986, as amended, a business organization, destination marketing organization, main street organization, lodging association, or chamber of commerce and (b) used to support tourism, performing arts, or to accommodate tourist activities.

Review Process:

Cle Elum, Roslyn, Ellensburg, and Kittitas County have all agreed to collaborate in review of grant applications and awarding lodging tax funds for special events and festivals. Each municipality's committee or designees will review all complete applications, score them based on the information provided by the application, rank the applications, recommend any funding

awards, and forward the score sheets, ranking, and funding recommendations to Kittitas County.

County staff will compile the score sheets, rankings, and funding recommendations for further consideration by a county-wide Lodging Tax Advisory Committee (LTAC). The county-wide LTAC will be comprised of an equal number of members from each participating jurisdiction. The county-wide LTAC will receive the scoring, ranking, and recommendations list and will conduct a public meeting where each applicant which received a funding recommendation will have the opportunity to present their application and answer questions. The county-wide LTAC will publicly deliberate on the applications and the list to produce a final recommendation which will be forwarded to each participating jurisdiction's legislative authority for final action.

Scoring sheets which determine the overall ranking of applications are included in this packet for your reference and information. **Applications which do not receive an average minimum score of at least 50 points or who do not follow the submission instructions will not be eligible for funding.**

Local Policy on Disallowed Uses:

The Lodging Tax Advisory Committees have determined that certain types of activities are not eligible for funding awards even if they may be tourism related. These include anything affiliated with the following: prizes for contestants, resale items, food and drink, beautification, fundraising, and membership drives. This list should not be considered comprehensive and all funding recommendation decisions are at the discretion of the committees and subject to change by majority opinion.

Application Definitions:

Below is a list of terms and phrases which have specific meaning within this application. It may be helpful for you to review these as you prepare responses so that you have a better understanding of the reviewers' expectations.

Date-specific is an event or project which occurs over less than one month.

Matching Funds is the amount of funding your organization is contributing to the project or event. This includes both direct and indirect fund support. Direct funds can be in the form of cash funding from your organization or funding secured from elsewhere but dedicated to the project or event such as other grants, loans, donations, etc. Indirect funding support includes in-kind support like labor, volunteer support, supplies, and services which directly relate to the project or event, including those provided by your organization and others.

New Projects/Events are projects/events which are in the first four years of existence. For example, a proposal for a barbeque competition which is in its third year would be defined as a new project/event. Likewise, a project by an existing museum which expands its current offerings, or a specific new strategy for appealing to a different target market that is in its first year, would be considered a new project. Ongoing general marketing and advertising campaigns or general operational support requests for organizations/event which have existed for longer than four years are not defined as a new project/event.

Ongoing Projects/Events are defined as projects/events that have been established for more than four years. Applications that qualify under this definition may be awarded up to 10% of the project's/event's expense budget.

Partnerships are agreements between events/organizations/groups which enhance the overall project/event by providing additional value-added benefits or opportunities for attendees as well as the participating partners. For instance, as part of your event, you may have partnered with a local hotel or campground for a special group rate for overnight attendees. You may have also partnered with a local restaurant to provide a special meal discount or drink offer. You may have also agreed to refer your attendees to another event simultaneously occurring in another part of the county.

Project Budget is a written description of the complete budget for your project or event. It must include anticipated revenues, expenses, and any potential profit or loss.

Seasonal means a project or event which operates at least 1 month and up to 6 months, and during at least 2 seasons (Spring, Summer, Fall, Winter).

Self-Sustaining is being able to provide for your own needs without the assistance of grant funds.

Supports County as a Tourism Destination means including strategies within your proposal which will assist in attracting tourists to our County during times of the year other than for your project/event alone. This may include cross-promotion agreements with other projects/events, it may include active marketing of other projects/events at your project/event, it may include referring attendees directly to other tourist opportunities in the County, etc.

Year-round means a project or event is ongoing and actively working to attract tourists for at least 6 months, and at least 3 seasons (Spring, Summer, Fall, Winter).

Project Reporting Requirements:

- A. Away from their place of residence or business and staying overnight in paid accommodations;
- B. To a place fifty miles or more one way from their place of residence or business for the day or staying overnight; or
- C. From another country or state outside of their place of residence or their business.

A report form will be provided as part of the contract for receiving funds. We ask that you provide this information within 60 days after your event is complete once you have critiqued your event.

In addition, any reports which are produced as a result of a grant award must be submitted within 60 days of completion as part of your project reporting requirements. This will provide evidence that the work paid for by the grant has been completed.

Applicant Categories and Eligibility:

Grants from lodging tax funds are provided for two types of applicants, New Projects/Events and Ongoing Event Support. An organization may apply for funding from one or both categories. If applying for funding from both categories, the application must clearly identify the different funding categories requests. The categories are defined as follows:

The **New Project/Events** category is for applications from events/projects which are within the first four years of existence. Applications may be considered in this category from established events (older than four years) which are proposing a new or expanded project designed to increase tourism as part of an ongoing event.

The **Ongoing Project/Event Support** category is for applications from established events (ongoing for more than four years) which may request continuing support. Grant awards are limited in this category to no greater than 10% of the event's expense budget. This category includes project/events which may be operating under a new board or organization, moving venues, changing dates, or implementing other non-substantial changes to a project/event which is ongoing for more than four years.

APPLICATION QUESTIONS

Please answer each question completely, in the order listed, on a separate sheet attached to this application. Please include any supporting data within the response narrative.

1. Please provide a description of your project/event and identify the specific tourism audience/market that your organization will target with these funds. You must include an itemized list of exactly how any grant funds awarded will be utilized.
2. Please provide the following estimates of how any money received will result in increases in the number of people traveling for business or pleasure on a trip:
 - I. Away from their place of residence or business and staying overnight in paid accommodations;
 - II. To a place fifty miles or more away from their place of residence or business for the day or staying overnight; or
 - III. From another country or state outside of their place of residence or business.

You must provide the evidence utilized in determining your projections.

3. What tools will you use to measure your event's impact on tourism? Please be specific and provide examples. Include the following information:
 - I. Is your project/event year-round or is it seasonal or date-specific?
 - II. What strategies will you employ to assure you are attracting tourists from at least 50 miles away?
 - III. What strategies will you use to assist in marketing all of Kittitas County as a tourist destination with your event/project funding request?
4. Does your organization have, or have you applied for, grant funding from other sources? If not, why not? If yes, please list the available funding you have for the project, including any volunteer and in-kind sources, and/or the sources and amounts for which you have applied. Please note which funding sources are secured and in hand so a true matching fund determination may be determined. What changes would occur if the project couldn't be funded?
5. If your organization collaborates or has created partnerships with other organizations, groups, or other events to cross-promote in an effort to encourage county-wide tourism, how is this accomplished?
6. Please explain what plans exist to allow this project to become self-sustaining. Include any plans for ticket sales, event sponsors, and other cost-recovery models.
7. **Additional information:** Provide any additional information which will assist the Lodging Tax Advisory Committee in evaluating your project and its benefit to tourism. Please limit any additional written information to one page and any other additional attachments to 3 pages. Regardless of how much additional information is included, only the first 3 pages will be provided to reviewers.
8. **Project Budget:** Please attach a copy of the complete budget for this project/proposal. If your agency operates independently of this project application it may not be

necessary to submit the entire agency budget. You must submit a budget which specifically pertains to the project/event for which you are requesting funding and adheres to the basic budget format shown below.

The budget must include anticipated revenues, expenditures, and any potential profit or loss. For projects/events which are ongoing for more than one (1) year, please also submit actuals from the previous three (3) years of operations for the project/proposal if applicable. Also, please supply any narratives necessary to understand the budget being submitted and list separately any in-kind or volunteer contributions. If applying for funding for both "New Project/Event" and "Ongoing Project/Event Support" you must clearly identify the different requests. This may be most easily accomplished by submitting separate budgets for each request category.

For any claimed in-kind contributions valued at \$500 or more and related to marketing/advertising, you must submit verifying documentation which assures the contribution will be provided. For instance, if you are claiming in-kind contributions in the form of advertising match, a binding contract itemizing the matching value and obligating each party must be provided.

Please assure your budget, and actuals from previous years (if applicable), are in the following basic format:

Revenues:

- Cash
- Donations/Sponsorships
- Sales
- Vendor Fees
- Grants
- Etc.

Total Revenues

In-Kind Contributions:

- Volunteer Labor
- Donated Services
- Donated Materials
- Etc.

Application Questions
Iron Horse Brewery
Event: Eastern Washington BrewFest

1. Eastern Washington BrewFest is an event targeted toward beer enthusiasts in and around Central and Eastern Washington.

It brings breweries from around the state together to give beer lovers the opportunity to sample multiple breweries in one location, while enjoying live music from Kittitas County artists.

In 2015 the event featured 9 breweries, and 435 people attended. In 2016 the event brought in 15 other breweries from Central and Eastern Washington, and 488 people attended. We plan to increase that number to 709 people in 2017. The audience we will target is beer lovers throughout the state including, but not limited to the Seattle region, Kittitas County and Eastern Washington.

The grant funding would primarily be used for marketing and advertising costs associated with the event including:

1. Radio advertising outside the county
2. Print advertising outside the county
3. Online advertising outside the county

2. With our goal of a 45% increase in ticket sales the number of people staying in Ellensburg also should increase. We estimate around 100 people will stay in Kittitas County overnight at Eastern Washington BrewFest 2017.

After Eastern Washington BrewFest 2016 we sent an email survey out to all of our event attendees, which included questions asking if they were from out of town and if they stayed at a hotel or where they stayed (SEE ATTACHED #7). We had 42 responses out of our 488 attendees, an 8% response rate.

Of those 42, nine people indicated they stayed at a hotel (~ 21% of respondents), five people indicate they stayed with a buddy (~12% of respondents) and three people indicate they stayed with grandma or a family member (~6% of respondents). Because this is only a slice of the people who actually attended BrewFest, we estimate that more people stayed in town than was represented by the survey.

In 2017 we will gather more information about how many people will stay/did in Kittitas County for the event, collected both during the ticketing process and after the event.

3.

1. The event is date-specific, and is set for Friday, May 19, 2017.
2. We will use primarily radio advertising to reach remote markets like Seattle and Eastern Washington. We will use targeted Facebook advertising for geographical regions. We will use newspaper and print advertising outside the county where appropriate.

3. On our print advertising we can include the appropriate county and city logos as required. With our online ticket sales we will ask people if they need a place to stay and then send them local hotel/motel options. We will include information about Kittitas County in the radio advertisements.

4. We have not applied for grant funding from other sources for this event because the brewery has paid for all expenses in previous years. In the past the brewery has ticketed the event and sold additional scripts and food to cover expenses. We've had success in most years making a profit or breaking even. We do have a brewery budget dedicated to advertising this event and would be able to provide a matching grant of up to \$1,000. To ensure our event continues to grow we need to advertise outside of Kittitas County, which is why we are requesting financial assistance via the lodging tax grant.

If the project is not funded we will still hold Eastern Washington BrewFest, but our ability to attract out-of-towners would not grow as we would not be able to dedicate more resources toward advertising and marketing to Seattle or Eastern Washington.

Having the funding to better advertise to the Seattle market and the rest of Eastern Washington will enable us to draw more of those consumers to Ellensburg.

5. Iron Horse Brewery works to bring members of the craft brewing industry together through Eastern Washington Brewfest. We promote all the breweries that are attending the event, and invite other breweries in Kittitas County to participate. In 2016 Dru Bru, Roslyn Brewing and Whipsaw were all local participants. Other breweries participating advertise on their own social media pages that they are coming to Ellensburg for the event, which encourages their consumers to come to Ellensburg too.

We promote musicians in Kittitas County by hiring them for the event, and putting their information on our social media pages and event advertisements.

6. Our event is already self-sustaining. The reason we are seeking grant funding is so we can expand our advertising to other markets to draw in more out of towners. Most of our advertising has been done locally up to this point. We'd like to have more beer consumers from around the state attend, which would in turn help tourism in Kittitas County.

Our current model to keep the event self-sustaining is to continue to ticket the event and sell drink tokens and food.

7. This event has become a staple in our community each May. It's a large draw for people both in and out of town, and we anticipate it will continue to grow. Please read the attached survey results from Eastern Washington BrewFest 2016 to see what people had to say about the value of this event.

8. Please see attached budget for upcoming event. The budget from the previous three years of operations also is attached.

9. Has your event received Lodging Tax funds in previous years?

Yes ____ No X

If yes, please list each year and the amount received for that year.

All applicants must also provide the following information regarding the event/project:

	Prior Year	Projected
A. How many participants and spectators attended last year's activity and/or will attend this year?	<u>488</u>	<u>709</u>
B. How many days did/will your event occur?	<u>1</u>	<u>1</u>
C. How many room nights were and /or will be booked as a result of your project/event? (You must provide a verifiable source of information as evidence for your response to item C. Failure to do so will disqualify your application.)	<u>9</u>	<u>100</u>

10. **Application Certification:**

The applicant here certifies and affirms: 1. That it does not now, nor will it during the performance of any contract arising from this application, unlawfully discriminate against any employee, applicant for employment, client, customer, or other person who might benefit from said contract, by reason of age, race, color, ethnicity, sex, religion, military status, sexual orientation, creed, place of birth, or disability; 2. That it will abide by all relevant local, state and federal laws and regulations and; 3. That it has read the information contained in the Instructions on pages 1 and 2 and understands and will comply with all provisions thereof.

What TWO things would you differently to make EWBF 2017 kick even more ass?

- More tokens and/or more options for the ticket price
- More that one day. Longer hours on weekend days
- Announce the most popular beer at the end of the event; as well as maybe another honey bucket.
- More restrooms and turn down the music just a little,
- everyone gets beer goggles, have a faux photo booth, give ppl a hashtag and declare a photo winner as your next "beer model".
- More food choices.
- Need more stickers, and the ability to see a batch being brewed while there
- Bigger Space! And some seating
- It was all fun!
- A later start, Allowing for travel time after work Friday or, a Sat. date. Cant think of two changes... its a great event
- I know the space is small but a few hightop tables to grub and drink would be amazing. The food setup seemed a bit sketchy; perhaps setup in the back room next year?
- Nothing. It is a great event
- More giveaways, ability to buy extra tokens prior to arrival
- Have some places bring in hard ciders and have a little bit wider variety of food
- Allow people to leave to get food and come back OR have more food vendors. More space... it got pretty crowded.
- More variety of styles. Not everyone likes IPAs. Second, more food options
- Pizza Colin &
- Stream-line the drawing event. Make Drawing tickets numbers larger; by that time of the evening we have down five Beers+
- Come with even more friends. Maybe even try some of the lighter beers.
- More bathrooms. Standing stations/tables along fence line? To enjoy music, socialize or for putting the beverage down for a bit.
- Bigger area
- Allow us to leave and come back so we can go home for dinner! :(Super lame. A bit of space for corn hole would be fun too!
- Bigger glasses!! Barely wet our whistles! More potties... you can only rent beer you know :)
- Longer hours for more beer drinking & dancing, more damn iron horse swag for purchase
- free beer and free food
- A little larger area so all the breweries were all together, we missed two. Warmer weather; not sure you can do anything about that.
- More food options would be good. Info banners around describing the breweries and what they're about/it was often too loud to ask
- Loved it all!
- More beer bikes to give away-that was awesome, and maybe more games or crowd interaction because watching drunk people is always entertaining
- Add another food option for us fat guys so we can watch our weight and drink more, and offer your own beer selection, which we tried to buy, but could not.
- Pregnancy discount and more bathrooms
- Have it on a Saturday. Bigger glasses!
- More toilets
- 1. More lenient on the throwing out of people, seems like people were getting 86'd over looking at someone wrong. 2. Open up the space to across the alley. Far too cramped!
- More staff on duty/more beers
- One more food choice, brats and dogs were great but one more food choice would be nice. Also a firepit because why not.

What else do you want to say?

Beer is yum

Iron horse you guys did a kick ass job this year

Love the event. Good Beer. Good Food and Great People
nothing except I always love EWBF.

Had an awesome time!

Better signage for the different Breweries

The food was awesome. Grwat staff, friendly, engaging

Bush did 9/11

Beer

Awesome time. Better than winter hop brewfest

It was super fun

Why is it called "shipping" when something is sent by car but called "cargo" when it goes by ship?

This is more than 5 questions

Liked the Food Service, keep it going. Sell EWBF 2017 Tee's

I understood the reason, but was irritated by not being able to leave the venue (to use a bathroom without a 20 minute wait)

More food choices. You always want to eat when you drink :)

You guys rock
fun time

Hard to beat Iron horse :) maybe my taste buds are just dialed in? I really enjoy this type of event- recurring and celebrating eastern WA!

Had a blast! Really, great first band too they rocked

We came from the West-side. We had a great time and really liked meeting all of the other brew houses.

I love brewfest. Every year is even better

Loved the food options this year! YUM!

Great Event

The staff wasn't cordial or patient. They need to lighten up. It is a beer show. People will be drinking. Have a bit more patience if there is a non violent situation. Don't be so quick to judge that everyone is a terrible drunk.
Had a great time
