

Kittitas County
Prosecutor

Agenda Staff Report

AGENDA DATE:

3/21/2017

ACTION REQUESTED:

Consent to lease and approve resolution doing so.

BACKGROUND:

CWU purchased a building at the County's airport as part of an agreement on November 8, 2016. That agreement also provided for a lease assignment and so provided that any subsequent assignment related to the agreement needed consent of all the parties. CWU desires to lease a building it purchased as part of that agreement. Even though the County has no legal interest in the premises being leased, to be on the safe side, CWU is asking for the County's consent to the lease. There is no reason not to give such consent.

INTERACTION:

Phone calls and emails between me and CWU's AAG.

RECOMMENDATION:

Consent to lease and approve resolution doing so.

HANDLING:

None
