Re: Swiftwater Cellars Concert Series

To Whom it May Concern:

In regard to the above mentioned projects, I have the following comments:

- An event permit is required from the Fire Marshal's Office for this event schedule. The appropriate fee and permit application has been received by this office.
- The seating is fixed seating arrangement, as is the stage. The egress points were discussed during the inspection last year, however to reiterate, there shall be two egress access points in the fencing, with a minimum opening of 6 feet.
- During my conversation with the applicant, they indicated that there were to be five events held this year.

The intent of the IFC is to provide a reasonable level of life safety and property protection from the hazards of fire, explosion or dangerous conditions. If you have further comments or questions, please do not hesitate to contact me at 509-962-7000.

Sincerely,
