KITTITAS COUNTY CONFERENCE OF GOVERNMENTS

August 1, 2017

Board of County Commissioners
205 W. 5th Avenue
Ellensburg, WA 98926

Dear Commissioners,

The Conference of Governments (COG) convened on July 19, 2017, to consider the merits of funding of four (4) applications competing for approximately \$1,349,970.00 in the Unencumbered Fund Balance of Distressed County Sales & Use Tax for the purpose of improving a community's infrastructure in hopes of creating a more positive economic development climate. The table reflects the project name, the amount requested and the COG recommended funding.

Project Name	Requesting Agency	Sales & Use Tax Funding Requested	Sales & Use Tax Funding Received
First Street Stormwater Improvements	City of Cle Elum	\$234,480	\$234,480
Pennsylvania Place Stormwater Bottleneck Replacement Project	City of Roslyn	\$803,222	\$803,222
Finance of Personnel Per RCW 82.14.370(3)(a)	Kittitas County Chamber of Commerce	\$72,000	\$72,000
Rotary Park Youth Baseball/Softball Complex Lighting Project	City of Ellensburg	\$230,000	\$230,000

The COG reviewed all the applications and applauds each applicant for the thoroughness of each of the submittals. The above list represents what the COG felt would have immediate economic impact on the individual communities.

The COG took the position that once these funds were expended there should be a tangible project that either immediately improves economic development or provides a design that

leads to construction. These projects are worthy candidates for economic development dollars but the application and project scope need to lead to a completed project. Thank you for the opportunity to play a critical role in the evaluation and application of funds that will assist in improving the economic development picture for the entire Kittitas Valley community and we recommend you approve the funded projects as submitted.

Sincerely,

Jay McGowan
Conference of Government Chair
