Kittitas County Law and Justice Council Grant Application 2016

Grant Deadline is July 1, 2016 for consideration. The L&J Budget Committee will evaluate all requests and forward recommendations to the L&J Council for approval. The applicant may be required to make a presentation to the Committee if the application requires clarification. The final decision on grant funding is subject to approval by the Kittitas County Board of Commissioners.

The Kittitas County Law and Justice Council is offering mini grants to organizations with community programs that support the law and justice system. Each year, approximately \$20,000.00 is earmarked from the one-tenth of 1 percent law and justice sales tax for this grant program. This can include equipment, materials, new programs and projects that support the goals of the Law and Justice Council and that benefit the public and law and justice community.

For this year's grant applications, the Law and Justice Council is promoting the following grant themes:

- Officer Safety
- Emergency Preparedness
- Innovative Youth Mentoring Programs

These themes are only suggestions for grant applications, and any application meeting the grant requirements will be considered.

Applicants must complete the form below. Please attach any vendor estimates, training costs and proposed budget breakdown with total amount requested along with all equipment and supply costs that need to be considered for this grant.

(Law and Justice grants do not pay for salaries.)

Grant funds will be available January 1, 2017 unless there is a demonstrated urgency.

Return all applications by no later than July 1, 2016 to the:

Kittitas County Law & Justice Council
