Dear Candi Blackford:

Enclosed is one (1) executed agreement between Kittitas County Public Health Department and Ecology.

Ecology received three originally signed documents from KCPHD. Per the instructions we provided to Holly Meyers, Ecology would only be sending one original back to KCPHD, as Ecology maintains two originals. One is for our fiscal department and the other is maintained in the Air Quality program.

Please let me know if there is anything further I can do to assist. Otherwise, thank you for your partnership and feel free to contact me with any questions.

Sincerely,

Carrol A. Johnston
