## 2017 Lodging Tax Funds – General Information

Various municipalities within Kittitas County impose a lodging tax assessed on the sale or charge made for furnishings of lodging according to RCW 67.28.180 and RCW 67.28.181. In accordance with the tax and Washington State Law, Lodging Tax Advisory Committees may also be established by various jurisdictions. The committees' purpose is to advise and recommend to the legislative authority of the city or county how excise taxes on lodging should be allocated to support tourism which in turn generates revenue.

### **Uses According to Law:**

According to State Statute and the interlocal agreement between the Kittitas County and the Cities of Cle Elum, Ellensburg, and Roslyn, funds awarded under this process may be used for the following:

1. Tourism marketing;
2. The marketing and operations of special events and festivals designed to attract tourists;
3. Supporting the operations of tourism-related facilities owned or operated by nonprofit organizations described under 26 U.S.C Sec. 501 (c) (3) and 26 U.S.C. Sec. 501 (c) (6) of the internal revenue code of 1986, as amended.

### **Definitions included in state law which should be considered in any application requesting funding include:**

- (1) **Tourism** means economic activity resulting from tourists, which may include sales of overnight lodging, meals, tours, gifts, or souvenirs.
- (2) **Tourism promotion** means activities, operations, and expenditures designed to increase tourism, including but not limited to advertising, publicizing, or otherwise distributing information for the purpose of attracting and welcoming tourists; developing strategies to expand tourism; operating tourism promotion agencies; and funding marketing or the operation of special events and festivals designated to attract tourists.
- (3) **Tourism-related facility** means real or tangible personal property with a usable life of three or more years, or constructed with volunteer labor that is: (a) (i) Owned by a public entity; (ii) owned by a nonprofit organization described under section 501 (c) (3) of the federal internal revenue code of 1986, as amended; or (iii) owned by a nonprofit organization described under section 501 (c) (6) of the federal internal revenue code of 1986, as amended, a business organization, destination marketing organization, main street organization, lodging association, or chamber of commerce and (b) used to support tourism, performing arts, or to accommodate tourist activities.

### **Review Process:**

Cle Elum, Roslyn, Ellensburg, and Kittitas County have all agreed to collaborate in review of grant applications and awarding lodging tax funds for special events and festivals. Each municipality's committee or designees will review all complete applications, score them based on the information provided by the application, rank the applications, recommend any funding

awards, and forward the score sheets, ranking, and funding recommendations to Kittitas County.

County staff will compile the score sheets, rankings, and funding recommendations for further consideration by a county-wide Lodging Tax Advisory Committee (LTAC). The county-wide LTAC will be comprised of an equal number of members from each participating jurisdiction. The county-wide LTAC will receive the scoring, ranking, and recommendations list and will conduct a public meeting where each applicant which received a funding recommendation will have the opportunity to present their application and answer questions. The county-wide LTAC will publicly deliberate on the applications and the list to produce a final recommendation which will be forwarded to each participating jurisdiction's legislative authority for final action.

Scoring sheets which determine the overall ranking of applications are included in this packet for your reference and information. **Applications which do not receive an average minimum score of at least 50 points or who do not follow the submission instructions will not be eligible for funding.**

#### **Local Policy on Disallowed Uses:**

The Lodging Tax Advisory Committees have determined that certain types of activities are not eligible for funding awards even if they may be tourism related. These include anything affiliated with the following: prizes for contestants, resale items, food and drink, beautification, fundraising, and membership drives. This list should not be considered comprehensive and all funding recommendation decisions are at the discretion of the committees and subject to change by majority opinion.

#### **Application Definitions:**

Below is a list of terms and phrases which have specific meaning within this application. It may be helpful for you to review these as you prepare responses so that you have a better understanding of the reviewers' expectations.

**Date-specific** is an event or project which occurs over less than one month.

**Matching Funds** is the amount of funding your organization is contributing to the project or event. This includes both direct and indirect fund support. Direct funds can be in the form of cash funding from your organization or funding secured from elsewhere but dedicated to the project or event such as other grants, loans, donations, etc. Indirect funding support includes in-kind support like labor, volunteer support, supplies, and services which directly relate to the project or event, including those provided by your organization and others.

**New Projects/Events** are projects/events which are in the first four years of existence. For example, a proposal for a barbeque competition which is in its third year would be defined as a new project/event. Likewise, a project by an existing museum which expands its current offerings, or a specific new strategy for appealing to a different target market that is in its first year, would be considered a new project. Ongoing general marketing and advertising campaigns or general operational support requests for organizations/event which have existed for longer than four years are not defined as a new project/event.

**Ongoing Projects/Events** are defined as projects/events that have been established for more than four years. Applications that qualify under this definition may be awarded up to 10% of the project's/event's expense budget.

**Partnerships** are agreements between events/organizations/groups which enhance the overall project/event by providing additional value-added benefits or opportunities for attendees as well as the participating partners. For instance, as part of your event, you may have partnered with a local hotel or campground for a special group rate for overnight attendees. You may have also partnered with a local restaurant to provide a special meal discount or drink offer. You may have also agreed to refer your attendees to another event simultaneously occurring in another part of the county.

**Project Budget** is a written description of the complete budget for your project or event. It must include anticipated revenues, expenses, and any potential profit or loss.

**Seasonal** means a project or event which operates at least 1 month and up to 6 months, and during at least 2 seasons (Spring, Summer, Fall, Winter).

**Self-Sustaining** is being able to provide for your own needs without the assistance of grant funds.

**Supports County as a Tourism Destination** means including strategies within your proposal which will assist in attracting tourists to our County during times of the year other than for your project/event alone. This may include cross-promotion agreements with other projects/events, it may include active marketing of other projects/events at your project/event, it may include referring attendees directly to other tourist opportunities in the County, etc.

**Year-round** means a project or event is ongoing and actively working to attract tourists for at least 6 months, and at least 3 seasons (Spring, Summer, Fall, Winter).

In addition, any reports which are produced as a result of a grant award must be submitted within 60 days of completion as part of your project reporting requirements. This will provide evidence that the work paid for by the grant has been completed.

**Applicant Categories and Eligibility:**

Grants from lodging tax funds are provided for two types of applicants, New Projects/Events and Ongoing Event Support. An organization may apply for funding from one or both categories. If applying for funding from both categories, the application must clearly identify the different funding categories requests. The categories are defined as follows:

The **New Project/Events** category is for applications from events/projects which are within the first four years of existence. Applications may be considered in this category from established events (older than four years) which are proposing a new or expanded project designed to increase tourism as part of an ongoing event.

The **Ongoing Project/Event Support** category is for applications from established events (ongoing for more than four years) which may request continuing support. Grant awards are limited in this category to no greater than 10% of the event's expense budget. This category includes project/events which may be operating under a new board or organization, moving venues, changing dates, or implementing other non-substantial changes to a project/event which is ongoing for more than four years.

## APPLICATION QUESTIONS

Please answer each question completely, in the order listed, on a separate sheet attached to this application. Please include any supporting data within the response narrative.

1. Please provide a description of your project/event and identify the specific tourism audience/market that your organization will target with these funds. You must include an itemized list of exactly how any grant funds awarded will be utilized.

The entire idea behind branding is to import more cash into the community that you export when locally earned money is spent elsewhere. Additionally the art of branding is setting yourself apart from others. The City of Kittitas is looking to refresh their community brand and continue creating a community for investment, business opportunities, and as a place to live and visit. With the private-sector slowly coming out of the recession, it is a perfect time to implement a campaign and refresh the community with consistency of message and impression; finding ways to import fresh cash into the community - into the tax base. The Internet has changed everything. 90% of the population is now accessing the web to determine where they will live, work or play. This project in front of you would allow the City of Kittitas to narrow their focus and create a niche and promote it like crazy. It will allow us to lure visitors and locals to our complementary activities such as shopping, dining, entertainment, historical attractions, etc but also include city amenities like local parks, parking, lodging, shopping, and events. A bonus will be to bring attentions to our downtown, some beautification, landscaping, street lights, benches, etc. The past year we have had a wine-tasting business, an inn, hairstylist and fitness center open. FACT: the number 1 complementary activity of visitors, in the world, is shopping, dining and entertainment in a pedestrian-friendly intimate setting - our downtown. We are wanting to build a brand primarily for the public relations. We need to reposition to deliver a perception and commit to the experience of our community and to the visitors. The following advertising will maintain our ownership of the brand that we create. Please see the items in which we are asking for the committees to review and fund: Task One: Information Gathering and Background Review which includes facilitation of town hall meetings, consulting fee from Arnett Muldrow & Associates. Task Two: Branding Resource which includes items like creative marketing concepts and brand extension components that could extend to other districts, partners, attractions, and events. These pieces would include event logos, imagery, digital media, web page concepts, allied agency logos, and a host of other creative uses as determined during town hall meetings. Task Three: Implementation which includes website creation, Online Marketing, Social Media Page creation, and Print Advertising. We feel that doing this process will only make the CentralWashingtonColor.com umbrella brand stronger. It will provide additional experience to bring a full county-wide experience.

2. Please provide the following estimates of how any money received will result in increases in the number of people traveling for business or pleasure on a trip:
  - I. Away from their place of residence or business and staying overnight in paid accommodations;
  - II. To a place fifty miles or more away from their place of residence or business for the day or staying overnight; or
  - III. From another country or state outside of their place of residence or business.

You must provide the evidence utilized in determining your projections.

The biggest, most powerful effect of branding is getting everyone on the same page pulling in the same direction. Once again, it takes a village to win. With items that were listed in the previous question, we would say that it will bring a focus on our city and it will increase people to stop in our community which would include day trip spending and overnight stays. Our city is unique to have a independent business owners that will be part of the process that will help increase our out of state and out of country visitors. Example: the inn has only been open since July 2016, they have two rooms available daily. So if we were able to keep them at the county occupancy of 56% (STR report as of Aug 2016) that would increase overnights from project for 2016, 79 room nights to 409 rooms into the year 2017. Projecting the lodging income to be  $\$114.79 \text{ ADR} \times 409 = \$46,949.11$ . That shows we have the opportunity to increase visitors just in that tax base by 5 times.

3. What tools will you use to measure your event's impact on tourism? Please be specific and provide examples. Include the following information:
- I. Is your project/event year-round or is it seasonal or date-specific?
  - II. What strategies will you employ to assure you are attracting tourists from at least 50 miles away?
  - III. What strategies will you use to assist in marketing all of Kittitas County as a tourist destination with your event/project funding request?

Because we are new to this opportunity we will work with community business owners to create visitor information displays to cross promote activities not only happening in the county but our city. We will measure those displays by the distribution count of the information that is placed in those displays. We will be able to track those number.

We will encourage the business owners to provide an incentive for those visitors taking information to come to their businesses to shop or dine. Examples of those incentives can range from discounts, coupons, etc. We will communicate monthly to get those numbers from the participating businesses. Other business will be asked to have log book available for visitors to put in information such as mailing address, email, zip code, how they heard about our city, etc. Additionally, we will make sure that we encourage the employees of the businesses to have superior customer service, training, familiarization of the other things to do in the county and our city. We will assist all tourism efforts by participating in the current tourism campaigns and link them on our new website, social media shares, etc. In order for the implementation to work well we will do this project early spring and marketing throughout the rest of the year, making this project a year-round project.

4. Does your organization have, or have you applied for, grant funding from other sources? If not, why not? If yes, please list the available funding you have for the project, including any volunteer and in-kind sources, and/or the sources and amounts for which you have applied. Please note which funding sources are secured and in hand so a true matching fund determination may be determined. What changes would occur if the project couldn't be funded?

We do not have secured funding sources, but we are at the beginning of the process. We will use our resources and see if we qualify in several state, federal grants and we will create a support program with the business to help offset the expenses that will be in the future like beautification, benches, landscaping, etc. As all cities and municipalities we will have volunteer hours to track and report. Being conservative we project 1600 hours from volunteers that will be involved in events, community cleanup, etc.  $1600 \times 28.99 =$  value of 46,384 based on the number from independentsector.org. If we are not successful with this grant and other grants, we will have to work harder as a city and take it upon our shoulders to do some of the project. We are determined to narrow our focus and draw people to our city.

5. If your organization collaborates or has created partnerships with other organizations, groups, or other events to cross-promote in an effort to encourage county-wide tourism, how is this accomplished?

Our largest collaboration is going to be with the Kittitas County Chamber of Commerce. But I feel in the process we will have several partners with businesses, groups, events.

Starting list:

Trinity Farms - Annual Bull Sale  
Wesco Hay Growers - intl travelers  
Thrall n Dodge Winery/Tasting Room  
Kittitas Country Hardware  
Hairtage Hair Salon  
Christmas in Kittitas  
Olmstead State Park  
Threshing Bee Event  
Kruisin Kittitas - Burnouts

We now that we are a small community, we will partner with anyone willing to help cross promote the county. We will do everything on the website and through our visitor information displays.

6. Please explain what plans exist to allow this project to become self-sustaining. Include any plans for ticket sales, event sponsors, and other cost-recovery models.

The City of Kittitas will be creating a resolution to receive the max tax rate from the accommodations that is in the community. Just that alone will allow us to have additional monies that we will be able to use for the efforts that will come out of the branding process and marketing needs that will continue to become important. We are very excited for our future and we are just needing to put the foot forward to start running.

7. **Additional information:** Provide any additional information which will assist the Lodging Tax Advisory Committee in evaluating your project and its benefit to tourism. Please limit any additional written information to one page and any other additional attachments to 3 pages. Regardless of how much additional information is included, only the first 3 pages will be provided to reviewers.
8. **Project Budget:** Please attach a copy of the complete budget for this project/proposal. If your agency operates independently of this project application it may not be necessary to submit the entire agency budget. You must submit a budget which specifically pertains to the project/event for which you are requesting funding and adheres to the basic budget format shown below.

The budget must include anticipated revenues, expenditures, and any potential profit or loss. For projects/events which are ongoing for more than one (1) year, please also submit actuals from the previous three (3) years of operations for the project/proposal if applicable. Also, please supply any narratives necessary to understand the budget being submitted and list separately any in-kind or volunteer contributions. If applying for funding for both "New Project/Event" and "Ongoing Project/Event Support" you must clearly identify the different requests. This may be most easily accomplished by submitting separate budgets for each request category.

For any claimed in-kind contributions valued at \$500 or more and related to marketing/advertising, you must submit verifying documentation which assures the contribution will be provided. For instance, if you are claiming in-kind contributions in the form of advertising match, a binding contract itemizing the matching value and obligating each party must be provided.

Please assure your budget, and actuals from previous years (if applicable), are in the following basic format:
