ACTION REQUESTED: Amend Chapter 1.08 Kittitas County Code

BACKGROUND:

On December 20, 2011 Kittitas County Commissioners adopted Ordinance 2011-014 concerning Voting precincts and modifying County Commissioner District boundaries. In review of said ordinance, a few scriveners' errors were detected:

In county code, North Ellensburg precinct contains "...those areas within unincorporated Ellensburg."

RECOMMENDATION:

Adopt attached amendment, correcting boundary lines for merged precincts; clarify precincts for unincorporated areas within Ellensburg city limits to better follow adjacent precincts/districts.
