Re: Yakima River "Your Canyon For A Day" Permit

To Whom it May Concern:

In regard to the above mentioned project, I have the following comments:

- An event permit is not required from the Fire Marshal's Office for this event.
- After review of the event permit, I have found no life safety/fire code issues that need to be addressed by my department.

The intent of the IFC is to provide a reasonable level of life safety and property protection from the hazards of fire, explosion or dangerous conditions. If you have further comments or questions, please do not hesitate to contact me at 509-962-7000.

Sincerely,

Brenda Larsen
