AGENDA STAFF REPORT

AGENDA DATE: February 22, 2012

ACTION REQUESTED: Consider a Resolution to Award the bid for the Bowers Field Airport Beacon replacement.

BACKGROUND: In October of 2011, the Bowers Field Airport beacon ceased to function. In determining a repair we found that it could not be repaired without a considerable cost. It was determined that the FAA would pay 95% of the cost to replace with a new beacon so this was the direction that was decided.

On February 9, 2012, a solicitation was sent out to small works roster applicants for this project. Bid acceptance deadline is Friday, February 17, 2012 at 1:00. At that time a complete agenda package will be completed and uploaded for the agenda.
