

# Kittitas County Noxious Weed Control Board

## Agenda Staff Report

### **AGENDA DATE:**

5/7/2013

### **ACTION REQUESTED:**

Approval of Resolution Authorizing an Interagency Agreement between Kittitas County Noxious Weed Control Board and Bonneville Power Administration for Noxious Weed Control.

### **BACKGROUND:**

The Bonneville Power Administration requested an interlocal agreement with the Kittitas County Noxious Weed Control Board for weed control work on BPA easements within Kittitas County. This Interlocal Agreement will allow the Weed Board to address several noxious weed concerns on BPA easements as we encounter them and allow the Weed Board to be reimbursed for work on those projects. This interlocal agreement is similar to other Weed Board agreements with State Parks and the Dept. of Natural Resources that have proven to be quite beneficial toward weed control in Kittitas County as a whole.

### **INTERACTION:**

The Bonneville Power Administration submitted an interlocal agreement to the Weed Board for signature after having discussed the proposal with the BPA area manager, Jacob Grinolds . The Prosecutor's Office has reviewed and approved the contract as to form, the Auditor's Office has reviewed and approved the contract, and the Kittitas County Noxious Weed Control Board has reviewed and approved the contract.

### **RECOMMENDATION:**

I recommend that the Kittitas County Board of County Commissioners approve the resolution to authorize execution of an Interlocal Agreement between Kittitas County Noxious Weed Control Board and the Bonneville Power Administration for noxious weed control on BPA easements.

### **HANDLING:**

Todd Davis will submit a signed original contract to the Clerk of the Board.

### **LEAD STAFF:**

Todd Davis
