

Kittitas County Solid Waste

Agenda Staff Report

AGENDA DATE:

5/21/2013

ACTION REQUESTED:

Request Boards approval on the attached resolution setting a fee for the sale of compost to be use on Large Projects, Farms, or Nurseries.

BACKGROUND:

Kittitas County Solid Waste in trying to meet the needs of the community by adding an addition to it's fee structure. The additional tier will make it more cost effective to use the County Compost on Large Projects, Farms, and by Nursuries.

Currently the fee for compost is \$60.00 per ton for the residential customer which equal \$.03 per pound. And a dump truck load of compost is \$50.00 per ton.

This new fee would provide a rate of \$30.00 per ton or \$.015 per pound for large projects, farms, or nuseries to use.

INTERACTION:**RECOMMENDATION:**

The Solid Waste Department recommends the Boards approval and signature on the attached resolution.
