

Kittitas County Solid Waste

Agenda Staff Report

AGENDA DATE:

5/21/2013

ACTION REQUESTED:

Request Boards signature on the Professional Service Agreement with Eagle Signs

BACKGROUND:

Kittitas County Solid Waste and the Kittitas County Health Department are working together to promote secured loads in our community. The Health Department has received grant funding to provide a signage to educate the public on secure loads.

After reviewing what type of signage would work best to educate the public it was determine that a electronic reader board would work provide the most flexibility.

The county went out to Bid and on May 1, 2013, at 2:00 pm, in the Commissioners Office bids were received.

At the bid opening the County received one responsive bid. This bid was within the budget set out for the project.

INTERACTION:

Kittitas County Solid Waste, Kittias County Health Department and the Department of Ecology

RECOMMENDATION:

Recommend Boards signature on the Professional Service agreement with Eagles Sign for the electronic sign at the Ellensburg Transfer Station.

HANDLING:

Return Two signed copies

LEAD STAFF:

Patti Johnson
