AGENDA DATE:

8/20/2013

ACTION REQUESTED:

BOCC move to approve Chair's signature to Special Sex Offender Disposition Alternative(SSODA) SubContract with licensed provider.

BACKGROUND:

Washington Juvenile Law provides a Disposition (sentencing) alternative for qualifying juvenile sex offenders called SSODA. The program is implemented through contract with juvenile courts. The treatment portion of the intervention is accomplished through State qualified personnel. This subcontract/MOU is to ensure a qualified treatment provider exists to serve Kittitas County Juvenile Court. This is a long standing service provider relationship repeated with the advent of a new state biennium and funds allocated to Kittitas County Juvenile Court for SSODA.

INTERACTION:

Contract verbiage reviewed with provider in light of pending biennium contract between Kittitas County and the Juvenile Justice and Rehabilitation Administration (JJ&RA) of DSHS. Document reviewed by County legal advisor. Presiding Judge of Kittitas County Superior Court reviewed and signed contract.

RECOMMENDATION:

BOCC approve Chair's affixing signature to the obligating document.

HANDLING:

Provide copy with signature to JCA W. Holmes for distribution to service provider and maintenance of record in accordance with JJ&RA obligation.
