Re: Special Event Application – Tarp It, Inc. event on 09/01/13

Dear Board of County Commissioners:

The requestor, Tarp-It Inc., has had this special event before utilizing private security and off duty local law enforcement. Historically, there have been no law enforcement concerns except for a noise complaint or two.

I recommend approving the special event as requested, suggesting that they notify any close neighbors of the event and have a plan in place to pick up any bottles, cans and debris left in or near the highway by attendees who park there.

Sincerely,
