10:00 a.m.  PUBLIC HEARING to consider the vacation of the following county road rights-of-way:

   St. Andrews Drive (entire road) located in Sections 35 &36, Township 20 N, Range 14 E., W.M., Kittitas County.
Engineer’s Report

_Tjossem Road_ (portion of right-of-way of an old alignment of Tjossem Road in front of Jeff Brunson residence, not previously vacated when Tjossem was realigned) located in Section 18, Township 17 North, Range 19 East, W.M., Kittitas County.

Engineer’s Report

_Cove Road_ (portion of unimproved right-of-way at the very end of Cove Road south of Manastash Road) located in Section 13, Township 17 N, Range 17 E, W.M., Kittitas County. This portion of right-of-way is used as public access to the Manastash Ridge Trail, it must be vacated as road right-of-way in order to be gated from vehicle access. It is recommended to be retained as public right-of-way for trail access.

Engineer’s Report

_Thorp Prairie Cutoff Road_ (entire road). Located in Section 30, Township 19 N, Range 17 E, W.M., Kittitas County. This is a remanent of the old Thorp Prairie Road before the new road alignment was built. The road dead-ends in a pasture and was recently gated due to people driving in and dumping garbage. It is recommended that all adjacent property owners be granted an easement for access and an easement for utilities be reserved.
