Assessor's Assessed Value Determination:

\$201,200

TOTAL Determination:

\$ _____

The issue before the Board is the assessed value of land/improvements.

A hearing was held on May 23, 2013. Those present: Chairman Ann Shaw, Reta Hutchinson, Jennifer Hoyt; Clerk Debbie Myers; Appraiser Eric Anderson and Appellants Representative Rochelle Bush.

Appellants Representative Rochelle Bush said these parcels are unique properties and that the 2009 values have decreased in value for 2013.

Appraiser Eric Anderson listed comparable sales in the areas of each parcel. He also said the UGA has shrunk in size and that has had an effect. Also there is some concern on the effect of zoning changes in the future but they valued with comparable property sales in mind.

Pursuant to RCW 84.40.0301, the value placed on the property by the assessor is presumed to be correct, and can only be overcome by clear cogent and convincing evidence. This means the appellant is required to provide enough information to convince this Board that it is highly probable the assessed value is incorrect.

The Board felt there is not enough supporting documentation to warrant a change in value. The Board of Equalization voted 3-0 to sustain the Assessor's value.

This order is signed and dated this 30th day of May, 2013.

Jennifer Hoyt, Board of Equalization

Debbie Myers, Clerk
