Petition Number: BE 120051

Assessor's Assessed Value Determination:

\$70,000

TOTAL Determination:

\$ _____

The issue before the Board is the assessed value of land/improvements.

A hearing was held on May 14, 2013. Those present: Chairman Ann Shaw, Reta Hutchinson, Jennifer Hoyt, Clerk Debbie Myers, Appraiser Susan Fitterer and Appellants Representative Rochelle Bush.

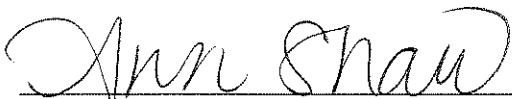

Appellants Representative Rochelle Bush said these parcels have decreased approximately 50% since 2008 and 2009 and the water situation was unknown at this time.

Appraiser Susan Fitterer listed comparable sales in the area and the sales model she used to value the property. She said this property is zoned Planned Unit Development (PUD).

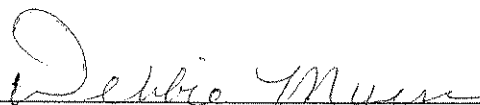

Pursuant to RCW 84.40.0301, the value placed on the property by the assessor is presumed to be correct, and can only be overcome by clear cogent and convincing evidence. This means the appellant is required to provide enough information to convince this Board that it is highly probable the assessed value is incorrect.

The Board felt the majority of the comparative sales that were supplied by the petitioner do not fall within the appraisal dates prior to January 1, 2010. The comparative sales that the petitioner submitted that were within the appraisal dates support the assessor's valuation of the property. The Board of Equalization voted 3-0 to sustain the Assessor's value.

This order is signed and dated this 21st day of May.

Ann Shaw, Chairman

Debbie Myers, Clerk
