Assessor's Assessed Value Determination:

TOTAL Determination:

\$46,600

\$ _____

The issue before the Board is the assessed value of land/improvements.

A hearing was held on May 1, 2013. Those present: Chairman Ann Shaw, Reta Hutchinson, Jennifer Hoyt, Clerk Debbie Myers, Appraiser Dana Glenn and Appellants Representative Rochelle Bush.

Appellants Representative Rochelle Bush said these parcels are ½ acre to 2 acres in size on Fowler Creek off Westside Road with no water, and have been logged of the saleable timber. She said the values have dropped; she gave some comparable sales in the area and said they thought the price of \$8,650 per acre would be reasonable.

Appraiser Dana Glenn said these parcels are part of the four year cycle. He said the market has changed and the new sales will be taken into consideration when these properties are reassessed this year.

Pursuant to RCW 84.40.0301, the value placed on the property by the assessor is presumed to be correct, and can only be overcome by clear cogent and convincing evidence. This means the appellant is required to provide enough information to convince this Board that it is highly probable the assessed value is incorrect.

The Board of Equalization voted 3-0 to sustain the Assessor's value

This order is signed and dated this 9th day of May.

Ann Shaw, Chairman

Debbie Myers, Clerk
