The issue before the Board is the assessed value of land/improvements.

A hearing was held on June 18, 2013. Those present: Chairman Ann Shaw, Reta Hutchinson, Jennifer Hoyt, Clerk Debbie Myers, Appraiser Anthony Clayton. Appellant was not present.

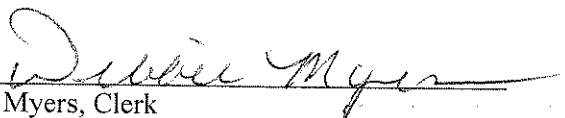

Appraiser Anthony Clayton said these parcels are all condos located in the Lodge at Suncadia. He presented the appraisers information with exhibits and listed the amenities of the various condos. He also said about 10 of them have sold since the petition date and that only one has sold for less than current assessed value, all the others have sold for more than the current assessed value.

Pursuant to RCW 84.40.0301, the value placed on the property by the assessor is presumed to be correct, and can only be overcome by clear cogent and convincing evidence. This means the appellant is required to provide enough information to convince this Board that it is highly probable the assessed value is incorrect.

The appellant was not present and there was no supporting documentation submitted by the appellant or their representative. The Board of Equalization voted 3-0 to sustain the Assessor's value.

This order is signed and dated this 19<sup>th</sup> day of June.
