**Assessor's Assessed Value Determination:**

**TOTAL Determination:**

The issue before the Board is the assessed value of land/improvements.

A hearing was held on June 25, 2013. Those present: Chairman Ann Shaw, Reta Hutchinson, Jennifer Hoyt, Clerk Debbie Myers, Appraiser Anthony Clayton. Appellant was not present.

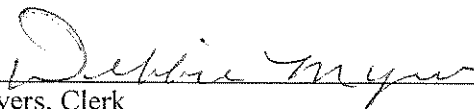

Appraiser Anthony Clayton said this group of Suncadia parcels, are residential lots in Tumble Creek. He reviewed the exhibits and maps in the Assessor's Answer to Real Property Petition. He also stated there were limited sales in 2012 & 2011. The appraisal date was January 1, 2012.

Pursuant to RCW 84.40.0301, the value placed on the property by the assessor is presumed to be correct, and can only be overcome by clear cogent and convincing evidence. This means the appellant is required to provide enough information to convince this Board that it is highly probable the assessed value is incorrect.

The appellant was not present and there was no supporting documentation submitted by the appellant or their representative. The Board of Equalization voted 3-0 to sustain the Assessor's value.

This order is signed and dated this 28<sup>th</sup> day of June.
