This decision is based on our finding that:

The issue before the Board is the assessed value of land/improvements.

A hearing was held on April 22, 2014. Those present: Chairman Ann Shaw, Reta Hutchinson, Clerk Debbie Myers, and Appraiser Mark Peterson. Appellant was not present.

The Board of Equalization reviewed the petition materials submitted by the appellant.

Appraiser Mark Peterson said this hearing is for two small parcels with a 1995 mobile home; roof cover over the mobile home; and detached garage of 576 sq. ft. in Sunlight Waters. He provided a list of comparable sales and said the owners were requesting an increase of value but he believed the assessment to be a fair assessment.

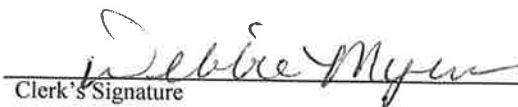

Pursuant to RCW 84.40.0301, the value placed on the property by the assessor is presumed to be correct, and can only be overcome by clear cogent and convincing evidence. This means the appellant is required to provide enough information to convince this Board that it is highly probable the assessed value is incorrect.

The Board of Equalization determined to uphold the Assessor's valuation. There were not any supporting documents submitted by the petitioner to warrant a change in value. The Board voted 3-0 to uphold the Assessor's valuation.
