The issue before the Board is the assessed value of land/improvements.

A hearing was held on April 3, 2014. Those present: Chairman Ann Shaw, Jennifer Hoyt, Reta Hutchinson, Clerk Debbie Myers, and Appraiser Susan Fitterer. Appellant was not present.

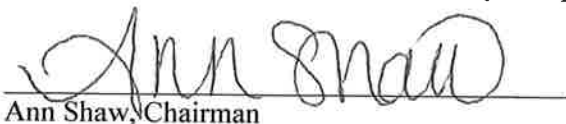

The Board of Equalization reviewed the petition materials submitted by the appellant.

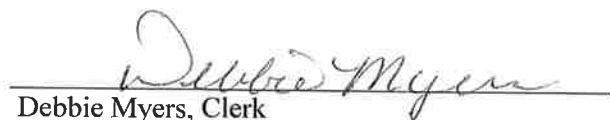

Appraiser Susan Fitterer said the subject properties are flat, open parcels ranging in size from 0.76 acres to 1.36 acres; lots 1 and 2 are zoned Urban Residential whiles lots 3-6 and lot 8 are zoned Rural Residential and are located on Deer Meadow Dr, Cle Elum. As of June 2013 the zoning on lots 3-6 and lot 8 was changed to Ag-5. She said a portion of the properties are located in the 500 year floodplain. All the parcels are on a community well and have access to utilities. Ms. Fitterer listed comparable sales for the properties.

Pursuant to RCW 84.40.0301, the value placed on the property by the assessor is presumed to be correct, and can only be overcome by clear cogent and convincing evidence. This means the appellant is required to provide enough information to convince this Board that it is highly probable the assessed value is incorrect.

The Board has determined that the comparable sales used by the assessor's office to determine fair market value for this property reflect their valuation accurately. There were not any other sales submitted by the petitioner and therefore the Board has determined that the assessor's valuation of this property should upheld. The Board voted 3-0 to sustain the assessor's valuation.

This order is signed and dated this 8th day of April, 2014.

Ann Shaw, Chairman

Debbie Myers, Clerk
