MEMBERS present were Ray Owens and Mary Seubert.

HB1371                        DEPARTMENT OF WILDLIFE

Discussion was held on the Department of Wildlife proposed bill to change designation of Wildlife lands to open space. This would mean a $100,000.00 reduction in payment from the Department. The board asked the Assessor to keep them informed.

MINUTES

The minutes of February 5, 1991 were approved.

SCENIC HIGHWAY SR10

Discussion was postponed until next week.

CLAIM OF MICHAEL D. MULLIN, JR.

Moved the Prosecutors recommendation that the claim of Michael C. Mullin, Jr. and Linda C. Mullin be denied be accepted. Seconded and carried.

SUSTAINING WASHINGTON TIMBER COMMUNITIES REPORT

Commissioner Owens reported on the developments.

PUBLIC COMMENT

Larry Charlton noted there was a good study session by the Planning Commission.

NOXIOUS WEED BOARD

Discussion was held on extending the present weed district line to the County borders and a member of each weed district be the director for that area on the county board. The County wide district can tax as needed and can tax the state owned lands. The Federal lands have never been taxed. There are two ways to tax either by an assessment or from Current Expense.
