Board members present: Vice-Chairman Perry D. Huston & Bruce Coe.

Others: Julie Kjorsvik, Clerk of the Board; Warren Beed, Facilities Director and 3 members of the public.

At approximately 4:00 p.m. COMMISSIONER HUSTON opened a public hearing to consider purchasing real estate located at 606 North Water – Tax #17-18-02050-0102, 206 West 7th – Tax #17-18-0250-0101; 204 West 7th – Tax #17-18-02050-0112; 204 West 7th – Tax #17-18-02050-0111; and 808 North Maple – Tax #18-18-36056-8017.

WARREN BEED, FACILITIES MAINTENANCE DIRECTOR, reviewed information relating to the properties located at the end of North Water Street, to be used for the jail expansion. He said the cash buy out would total $323,109.00, which would come from the Juvenile Detention fund. He said someone is interested in moving the house from one of the properties, which would save the County money in demolition costs. If the Board approved the purchase, the current owners would have thirty-days from the date of closing, to move all personal belongings from the property. COMMISSIONER HUSTON explained that even though he has signed the Real Estate Purchase and Sale Agreements, the Agreements are not considered ratified, until the Board of Commissioners approve it.

THOSE PRESENT & TESTIFYING: DON DAVIS, speaking on behalf of himself and the Human Rights Coalition, expressed opposition to such a large expansion to the jail. He felt a “systems management” approach was needed for the jail. He explained that with government cutbacks, it was not necessary to spend additional money on an “unnecessary” jail expansion. THERE BEING NO FURTHER TESTIMONY, THE PUBLIC PORTION OF THE HEARING WAS CLOSED.

COMMISSIONER COE agreed the criminal justice system needed to be reformed, but the County does not have a choice taking in prisoners. The County needs to be prepared to take in additional prisoners versus keeping them on the streets. He felt the Board has negotiated fairly, with the public’s best interest in mind. COMMISSIONER HUSTON explained the safety issues with the existing facility. He recognized the
economic hardship to the citizens, but reminded everyone the Board had approved a ceiling of $16 million, including site acquisition.
