PUBLIC HEARING AMEND ROAD STANDARDS PUBLIC WORKS

At 4:00 p.m. CHAIRMAN HUSTON opened the public hearing continued from February 11, 2004, to consider revisions to the Kittitas County Code Title 12, Road Standards. He reminded everyone that the Board did not intend on allowing public testimony at that time, however they may ask for clarification from the Citizens Advisory Committee and staff. He said once the Board has reviewed all of the Chapters, they would create a draft version of the Roads Standards, and re-advertise the public hearing to allow comment on the document.

The Board of County Commissioners reviewed Chapters Eight, Nine and Ten, while making various suggestions and revisions. All references to utilities will be placed in the utilities manual, and any references to private roads needed to be placed in the appropriate Chapter, as well.

COMMISSIONER GOLLADAY moved to continue the public hearing to Wednesday February 25, 2004 at 4:00 p.m. in the Commissioner’s Auditorium, to review Chapter 12 of the Kittitas County Road Standards. COMMISSIONER COE seconded. Motion carried 3-0. It was noted the record would remain open.

Meeting adjourned at 5:30 p.m.
