## BOARD OF COUNTY COMMISSIONERS MEETING MINUTES

**DATE:** 09-12-05  
**TIME:** 9:40 A.M.  
**COMMISSIONERS PRESENT:** Alan Crankovich David Bowen, Perry Huston  
**DEPARTMENT:** Solid Waste  
**DEPARTMENT HEAD:** Patti Johnson  
**OTHERS PRESENT:** Shannon Carlson

### TOPIC: 1. Construction Debris

### DISCUSSION:

1. Ms. Johnson explained to the Board that she has had some issues with contractors when bringing in the allowable load into the dump. Staff has explained to the contractors that construction debris can be disposed of at the Ryegrass Facility and at a lower rate but the feedback has not been positive. Contractors want to dump the debris at the Ellensburg or Cle Elum facility instead of driving. Ms. Johnson referred to the Solid Waste Management Plan that gives the details on construction debris dumping.

### ACTION:

1. Ms. Johnson to write a letter to the contractors explaining the policy and the options they have for construction debris dumping. If a County Employee is being harassed for following policy then local authorities are to be called.
