STUDY SESSION MINUTES
November 21, 2005

THOSE PRESENT: Perry Huston, David Bowen, Scott Bradshaw (DPW), Kelly Carlson (DPW).

GUESTS PRESENT: None

LEVEE MAINTENANCE: Director Bradshaw stated that there is maintenance that needs to be performed on our county owned levees. He stated that it will take approximately $19K to complete the needed maintenance. There is $15K currently budgeted so we will do up to $15K worth of maintenance and finish the rest in 2006 when another $15K is available.

BOARD DIRECTION: No Board Direction

SNO-PARK UPDATE: Director Bradshaw presented a matrix that showed all of the snow-parks, ownership and maintenance. It also showed if the work was reimbursable and if so by whom.

BOARD DIRECTION: No Board Direction.

BOARDS CONCERNS/ISSUES:

Road Standards: Commissioner Huston stated that there is a misinterpretation of the Road Standards by some developers and we need to get this straightened out. Attention to detail.

Emergency Response Meeting: Director Bradshaw stated that he had attended this meeting and would like some direction from the BOCC as to his role in this, is it countywide or just Public Works? Commissioner Huston stated that the Directors role is to identify our assets, he is the front line to deal with other entities, and establish who should be involved.
Commissioner Huston said to stay tuned because this will be a project of his in 2006.

Meeting adjourned at 2:03 p.m.

Scott W. Bradshaw, P.E.
Director of Public Work
