### TOPIC

**Discussion:** 2006 proposed budget – staffing requests:
- .7 FTE Health Promotion
- .4 FTE Oral Health
- Move of EH clerical to Morris Sorenson

**Recommendation/Update:** The BOCC approved the following FTE for the 2006 budget:
- .2 FTE for Health Promotion
- .4 FTE for Oral Health
- No additional clerical help for Morris Sorenson

**Update:** I-901 Implementation

**Recommendation/Update:** Director Goodloe updated the Board on the work of the Health Promotion staff on the implementation of I-901, amendment to the state clean air act. Public health is responsible for this implementation. Ann Riley and Sarah Bedsaul will take the lead with this project. They have been participating in several statewide conference calls in anticipation of the Dec. 8 implementation date.

**Update:** EH staffing – Food Program EH Manager position

**Recommendation/Update:** Director Goodloe reported that Melissa Schumaier has been hired as the new Food Program person for Environmental Health. There are 11 candidates for the EH Manager position. The interview committee is meeting Nov. 23 to begin its process.

**Update:** NIMS training

**Recommendation/Update:** Director Goodloe reported that most of the staff participated in the NIMS training on Nov. 21. Those who did not will have to do an on-line training this year. Rich Elliot led the training.
