REGULAR SESSION 1:07 p.m.

Chairman Perry Huston asked Kirk Eslinger, Human Resource Director, to update the Board on recent communication from the Union. The Union had provided the HR Department a copy of correspondence from the grieving employee withdrawing the grievance. Since there had been two separate grievances filed the County had requested clarification if the employee was withdrawing one or both. The Union produced an additional written statement from the grieving employee withdrawing both grievances.

Don Boxford issued a formal request from the Union to withdraw both grievances.

Chairman Perry Huston identified that this hearing had occurred in regular session and the withdrawal documentation provided by the Union would become part of the official record.

Commissioner Alan Crankovich moved to accept the Union's withdrawal of both grievances.
- Vice Chair David Bowen seconded.
- There was no discussion.
- The motion carried.
