CONTRACT BERRYS/PERMIT CENTER BUILDING COMMISSIONERS

Mr. Dennis Cummings (owner of the Berry’s/Permit Center building) explained he was in town and wanted to check in with the Board and introduce himself to those members he had not met.

He reminded the Board that they could choose to either pay off the contract or continue with payments on the building, but either way, they needed to deliver notification to him of their intent no later than July 4, 2007. He indicated he did not have a problem with either direction the Board wanted to go. There will be no change to the rate of 5.5%. If the Board does choose to continue with payments, the contract is scheduled to end in 2012.

The Board said they would advise Dennis by the end of the year of their decision, once they have passed the 2007 budget.

Meeting adjourned at 11:15 a.m.
