Board members present: Vice-Chairman Alan Crankovich and Commissioner Perry Huston.

Others: Julie Kjorsvik, Clerk of the Board; Cathy Bambrick, Environmental Health Manager.

Cathy reviewed a proposed agreement between Kittitas County Public Health Department and Ron Dalle d/b/a America Engineering, to provide on site sewage inspection services. She said Mr. Dalle was not available very often to do inspections, but would like to have the agreement in place to be able to have the ability to use him when necessary. She also explained that she would like to hire Mark Nelson for a 60 day period to provide inspection services for two days a week at 8 hours a day. She said Mark would be very busy and she would be having a list of items for him to complete and at the end of each day, she would be reviewing it with him to ensure the jobs are getting done. The Board did not have an interest in hiring Phil Martinez at the current time to provide inspection services.

She explained the current review time is approximately 30 days due to the lack of staffing, which had been one week previously. She is also working on cross training within her office.

Commissioner Huston moved to ratify the Chair’s signature on an Agreement for Consulting Services between Ron Dalle d/b/a America Engineering and the Kittitas County Public Health Department, for on site sewage inspection services at a rate of $40.00 per hour, not to exceed 100 hours per month, without prior written approval by the Kittitas County Board of Commissioners. Commissioner Crankovich seconded. Motion carried 2-0.

Commissioner Huston moved to approve a Kittitas County Personnel Action Form for Mark Nelson, for a 60 day temporary position at a
rate of $50.00 per hour, effective September 7, 2006. Commissioner Crankovich seconded. Motion carried.

Meeting adjourned at 1:50 p.m.
