RESOLUTION 2009-83 ANNEX INTO FIRE DIST. 7 COMMISSIONERS

Zera Lowe, Deputy Prosecutor reviewed a petition from Robert and Karen Annis of 561 Bear Grass Ronald, Washington, to annex approximately 1,177 acres of private property into Fire District #7. She explained that the Boundary Review Board had been disbanded in January 2009, and all petitions must be acted upon by the County according to statute and RCW Chapter 52.04 governs annexations for fire protection districts. She noted the Board could not consider any lands outside the boundaries of the proposed annexation and cannot exclude any lands from the petition unless they find that certain lands will receive no benefit from the proposed annexation. Ms. Lowe explained that Fire District #6 had submitted a letter apparently complaining they disagree with the proposed annexation because annexing across Lake Cle Elum to get to the lands seemed illogical, although no legal authority has been presented to prevent the annexation and other fire districts have been known to annex across other lakes, old road beds, abandoned rights-of-way, etc. to get to lands owned by persons seeking fire district coverage. All of the necessary documentation has been provided to the County including the petition, Resolution from Fire District #7 supporting the request, and Certificate of Sufficiency.

06/16/09 MINUTES
Fire District #7 Chief Hobbs reviewed the history of the request, noting that Fire District #6 was unable to provide the fire protection services (neither man power or financial) and the petitioners have gone through the appropriate process and encouraged the Board to approve their request. Nathan Wise, representing R&R Heights, felt the request should be approved by the Board.

Commissioner McClain said he would support the request based on the testimony provided by Fire District #7 and being able to provide for multiple fire stations, apparatus and equipment which will benefit the area.

Commissioner McClain moved to approve Resolution 2009-83, annexing approximately 1,177 acres of private land into Kittitas County Fire District No. 7, as requested by Robert and Karen Annis of 561 Bear Grass, Ronald, Washington. Commissioner Jewell seconded. Motion carried 3-0.

**RESOLUTION 2009-84 AMEND EXHIBIT A - REVISE 10 YEAR PLAN COMMISSIONERS**

Commissioner McClain moved to approve Resolution No. 2009-84, Amending Exhibit A of the Revised 10-Year Homeless Plan for 2009-2011, reflecting a grant allocation amount of $150,000.00 for the ESSH 2163 funds and $150,000.00 for SHB 2060 funds. Commissioner Jewell seconded. Motion carried 3-0.

**MISCELLANEOUS - NONE**

**EXECUTIVE SESSION**

At 10:20 a.m. Chairman Crankovich announced the Board would recess into an Executive Session for 15 minutes with Matt Anderson, Fairgrounds Program Director and Joseph Whalen, Human Resources Director, to evaluate the qualifications of an applicant for public employment or to review the performance of a public employee. However, subject to RCW 42.30.140 (4), discussion by a governing body of salaries, wages, and other conditions of employment to be generally applied within the agency shall occur in a meeting open to the public, and when a governing body elects to take final action hiring, setting the salary of an individual employee or class of employees, or discharging or disciplining an employee, that action shall be taken in a meeting open to the public. He did not anticipate any action following.

At 10:35 a.m. the Board came out of Executive Session. There was no action taken.
