Neil Caulkins, Deputy Prosecutor said he thought the same thing, but with these two Letters of Credit, with only a few months left he recommended keeping it as the Bank of America sent it. He indicated that moving forward they will ask that it state the beneficiary as the Public Works Director. Motion carried 3-0.

BOARD DISCUSSION/DECISION ITEMS

PUBLIC HEARING TV RECEPTION IMPROVEMENT DISTRICT COMMISSIONERS

Chairman Jewell opened the public hearing continued from February 1, 2011 to consider dissolving the Kittitas County TV Reception Improvement District and Board, noting the record is closed. He indicated he spoke with the TV District’s Attorney Jeff Slothower and he has been working with Jim Mapes. He said he had hoped to have something for the Commissioners soon.

Commissioner Crankovich moved to continue the public hearing to Tuesday March 1, 2011 at 10:00 a.m. in the Commissioners Auditorium, Room 109, Kittitas County Courthouse 205 West 5th Avenue Ellensburg, noting the record is closed. Commissioner O’Brien seconded. Motion carried 3-0.
Dan Valoff, Staff Planner said all departments had signed off on the Final Mylars for the Vista View Estates Preliminary Plat and they were ready for Chair’s signature.

Larry Hillis, President of Cascade View said they have been working with the City of Ellensburg and the County regarding water and sewer systems. He provided a letter from the City of Ellensburg stating they had approved the installation of the water and sewer lines for the use of the project and both systems have been tested and are in full operation. It also said they would be installing water meters as needed. He felt the letter from the City of Ellensburg should suffice for the County requirements of a plot plan. He said Community Development Services requires him to go back to the City and get their stamp of approval, and felt it was redundant if he has a copy of a letter from them already. Chairman Jewell said it seemed like an administrative process for building permits and not final mylars, which was in front of the Board for consideration.

Commissioner Crankovich moved to approve and authorize the Chair to sign the Final Mylars for the Vista View Estates Preliminary Plat (P-05-03). Commissioner O’Brien seconded. Motion carried 3-0.
